# Accessing Planning Applications Online

[\(Back to Contents\)](#)

Test Valley Borough Council's online service means you can view, track and comment on planning applications online.

This guide is aimed at all customers, whether you are a member of the public, an agent, a business, or a representative of the community, such as a Borough or Parish Councillor.

Features include better search options and the ability to receive personal e-mail notifications based on the applications and locations that interest you.

In summary these are:

## **Registration**

If you register your details and create your own personal profile you can receive automatic e-mail notifications when an application of the type you are interested in is submitted.

## **Searching**

An improved **Simple** search box enables you to search by keyword(s) (ie. Abbotswood, or Andover Airfield), application number, single line of address, postcode, or description/proposal.

**Map search** - You can view where applications are located on a map within a pre-selected time period (eg. the last 6 weeks, or 3 years) with the option to zoom in and out. Applications are identified by a green outline and summary details are given on the screen.

**Saving a search** - If you have registered on the system you can save your searches, saving time when you next visit the site.

## **Tracking applications**

You can track applications and receive an automatic email notification when there is a change in the status of an application, ie. amendments, decision. This enables you to keep up-to-date with what is happening to your own application or ones which you have an interest in.

# GETTING STARTED

[\(Back to Contents\)](#)

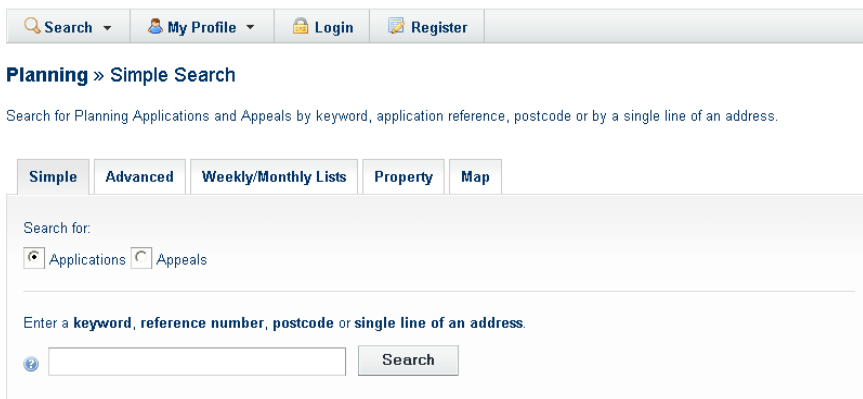

Go to Test Valley Borough Council Website at [www.testvalley.gov.uk](http://www.testvalley.gov.uk)

Note: Before using this site please familiarise yourself with our **Terms and Conditions**.

Under **Planning and Building** click on **View Planning and Building Applications**, OR follow this link

<http://www.testvalley.gov.uk/resident/planningandbuildingcontrol/viewplanningapplicationsonline/view-planning-applications-online/>

The Planning Online screen will appear where you can search for applications, appeals or properties.

## Search Options Menu

The following pages outline in detail how to use the **Search options** using the tabs - **Simple**, **Advanced**, **Weekly/Monthly Lists**, **Property** and **Map**.

After using the tabs to run your search, you can return to the **Search options menu** by clicking on the drop down arrow beside **Search** on main toolbar, then **Planning** and select the search option required.

## Registration

[\(Back to Contents\)](#)

When you have accessed the site you have the option to register your details.

What are the benefits? You can:

- create your own personal profile
- save details of searches you have made
- track specific applications which you are interested in
- receive notification of changes to applications that you are tracking

**Please note that Registration is not compulsory and you are still able to look up details of planning applications using the search options available.**

Search My Profile Login Register

### Registration

Once registered the following additional functionality will be available:

- Tracking applications
- Saving Searches
- Email notifications about tracked applications and new search results.

Fields marked with a \* must be completed.

Title \*

First Name \*

Surname \*

Phone Number

A confirmation email will be sent to the email address you provide below.

Email Address \*

Confirm Email Address \*

Your password must be at least 8 characters long and be a mix of letters and numbers.

Password \*

Confirm Password \*

Next

Click on **Register**, complete the form and select **Next**

Once you have completed the registration process you will be sent an email. You will need to click on the link within this email for your registration to be confirmed.

When you have done this you will be able to use the Login facility to track and comment on applications.

## Forgotten your password?

[\(Back to Contents\)](#)

If you forget your password click on **Login** from main menu.

Search My Profile Login Register

Planning » Simple Search

Search for Planning Applications and Appeals by keyword, application reference, postcode or by a single line of an address.

Simple Advanced Weekly/Monthly Lists Property Map

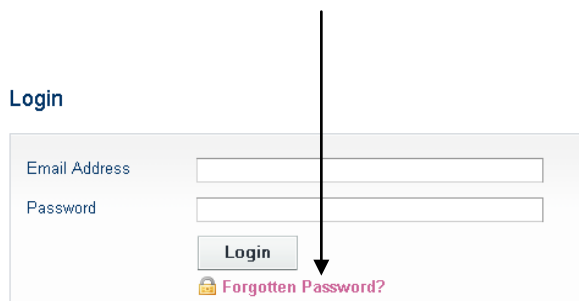

Search for:

Applications  Appeals

Enter a **keyword, reference number, postcode** or single line of an address.

Search

Then select **Forgotten Password?**

Login

Email Address

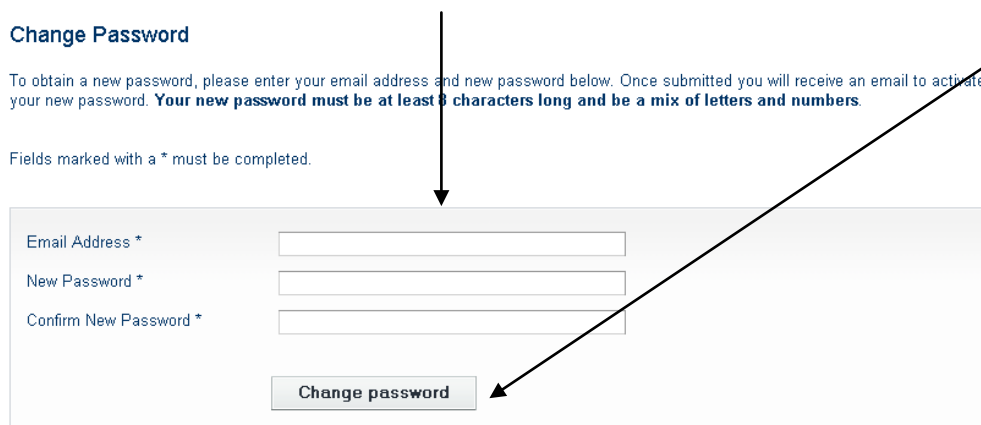

Password

Login

[Forgotten Password?](#)

Please note that passwords **MUST** be at least 8 characters long and be a mix of letters and numbers.

Type in your email address and a new password (twice) and click on **Change Password**.

Change Password

To obtain a new password, please enter your email address and new password below. Once submitted you will receive an email to activate your new password. **Your new password must be at least 8 characters long and be a mix of letters and numbers.**

Fields marked with a \* must be completed.

Email Address \*

New Password \*

Confirm New Password \*

Change password

Once submitted you will receive an email to activate your new password.

## Changing Your Personal Details

[\(Back to Contents\)](#)

If you need to change any personal details, for example your email address, **Login** from the main menu and under **Profile Details** tab, select **Update Personal Details**.

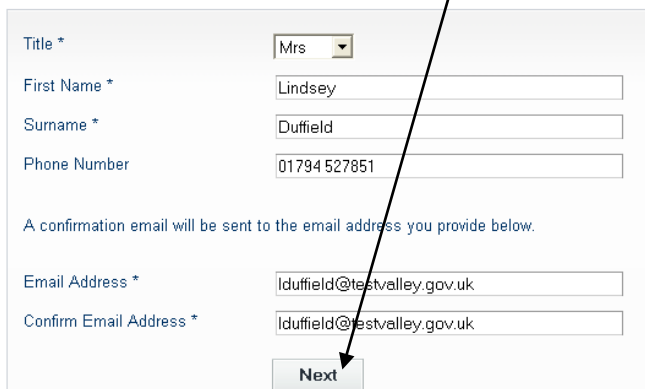

The screenshot shows the 'Profile Details' tab selected. At the top, there are four tabs: 'Profile Details', 'Saved Searches', 'Notified Applications', and 'Tracked Applications'. Below the tabs are three buttons: 'Change Password', 'Update Personal Details', and 'Delete Profile'. An arrow points from the 'Update Personal Details' button to the 'Update my personal details' form below. The profile information is as follows:

Name	Mrs Lindsey Duffield
Email	lduffield@testvalley.gov.uk
Phone Number	01794 527851
Address	Council Offices Duttons Road Romsey SO51 8XG

Update relevant details and click **Next** to update each subsequent page.

### Update my personal details

Fields marked with a \* must be completed.

The form contains the following fields and values:

Title *	Mrs
First Name *	Lindsey
Surname *	Duffield
Phone Number	01794 527851
A confirmation email will be sent to the email address you provide below.	
Email Address *	lduffield@testvalley.gov.uk
Confirm Email Address *	lduffield@testvalley.gov.uk
<input type="button" value="Next"/>	

On the last page “check” the Terms and Conditions box and select **Next**.

The screenshot shows the final step of the update process. It includes the same profile information as the previous screenshot. Below the information is a checkbox that is checked, with the text: "\* I have read and agree with the [Terms and Conditions \(opens in a new window\)](#) and [Privacy Policy \(opens in a new window\)](#)". At the bottom are two buttons: 'Back' and 'Next'. An arrow points from the 'Next' button in the previous screenshot to the 'Next' button in this screenshot.

Name	Mrs Lindsey Duffield
Email	lduffield@testvalley.gov.uk
Phone Number	01794 527850
Address	Council Offices Duttons Road Romsey SO51 8XG

\* I have read and agree with the [Terms and Conditions \(opens in a new window\)](#) and [Privacy Policy \(opens in a new window\)](#)

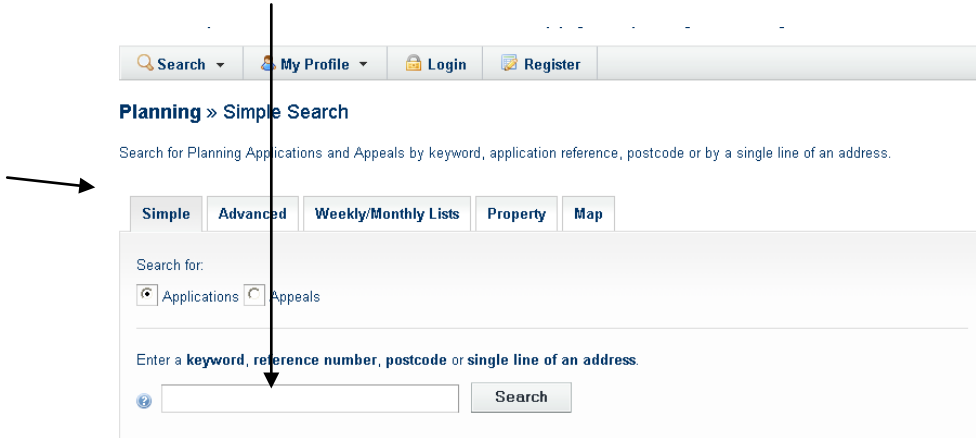

You will then receive a message to say your details have been updated.

### Update my personal details

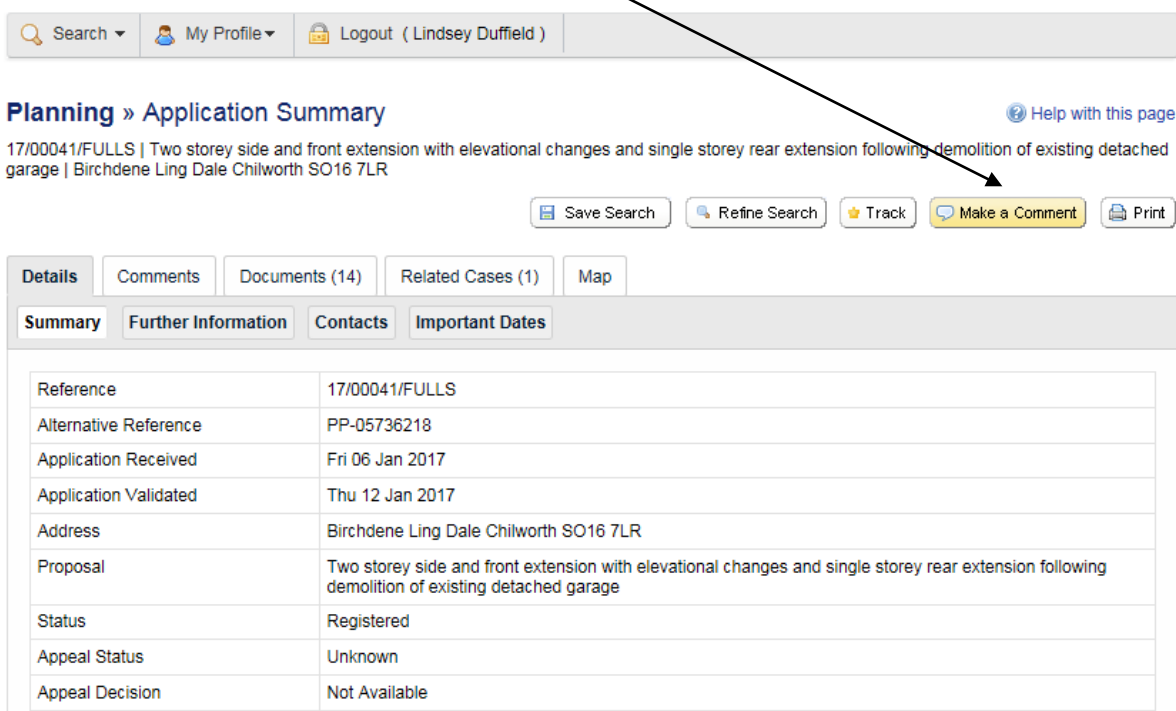

Thank you. Your registration details have been updated.

## Using SIMPLE SEARCH

You can search by keyword(s) (ie. Abbotswood, or Andover Airfield), application number, single line of address, postcode, or description/proposal, by typing the relevant information into the search box and click on **Search**.

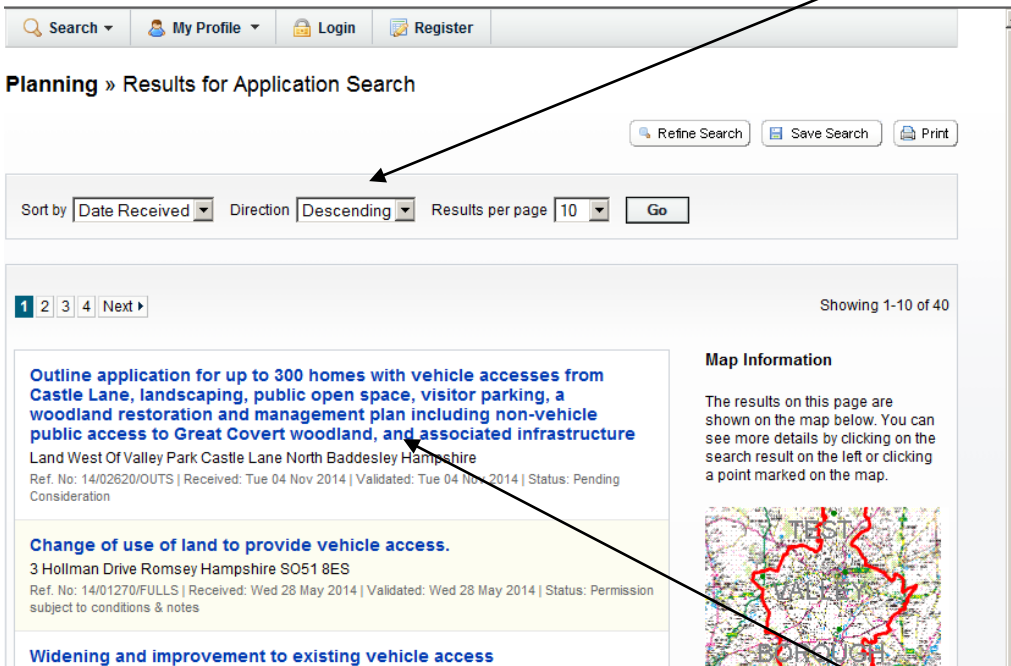

If you have searched on the **application number** you will go directly to the details screen for that application where you can view **Documents** (application form, supporting documents and drawings), **Related Cases** (including history of site), and **Map** (showing site). To be able to “**Make a Comment**” on the application you must first register and login (see page 5).

If searching on keyword(s), address, postcode or description a number of results may appear. You have the ability to sort the results to help you find the application(s) you are interested in, by selecting an option from the drop down menus at the top.

Once you have found the application you are looking for, click on the blue application description – this will take you directly to the details screen for that application where you can view **Documents** (application form, supporting documents and drawings), **Related Cases** (including history of site), and **Map** (showing site). You can also make **comments** on the application from this screen. (To be able to comment on the application you must first register and login.)

## Using Advanced Search

[\(Back to Contents\)](#)

This feature enables you to find multiple applications that have something in common, such as parish, ward, or by applicant/agent, keyword(s), decision and applications within a date range.

The screenshot shows the 'Advanced' search tab selected. It features several sections for filtering search results:

- Reference Numbers:** Includes text input fields for 'Application Reference' and 'Planning Portal Reference'.
- Application Details:** A list of fields with dropdown menus and text inputs, including 'Description Keyword', 'Applicant Name', 'Application Type', 'Ward', 'Parish', 'Status', 'Decision', 'Appeal Status', 'Appeal Decision', 'Development Type', and 'Address'.
- Dates:** A section with instructions to 'Enter a date range (a start date and an end date) for the criteria that you are interested in. The date fields may be entered manually using the date format dd/mm/yyyy (e.g. 21/06/2008). Alternatively, click on the calendar button and pick a date.' It contains six rows of date range filters: 'Date Received', 'Date Validated', 'Date Actual Committee', 'Decision Date', 'Appeal Decision Date', and 'Date Determined', each with two text boxes and a 'to' separator.

At the bottom of the form are 'Search' and 'Reset' buttons. Two callout boxes are present: one pointing to the 'Advanced' tab with the text 'Click on Advanced tab.' and another pointing to the dropdown menus in the 'Application Details' section with the text 'Complete your selection criteria by choosing from any of the drop down lists beside each option and date ranges.'

Once the results are displayed you have the ability to sort the results using the options described in Simple Search, and select the application you are looking for.

## Using Map Search

[\(Back to Contents\)](#)

This feature enables you to identify applications using an interactive map.

Please note that it is faster and more straightforward to find applications using the **Simple** or **Advanced** search methods.

Once you have clicked on the Map tab, click on **Enable Filter** and select the time period for the application search and check the box for “Application”.

Use the Zoom in/out and Pan icons to move into your selected area on the map.

The screenshot displays the 'Map Search' interface. At the top, there is a navigation bar with 'Search', 'My Profile', 'Login', and 'Register' options. Below this, the 'Map Search' title is followed by a 'Help with this page' link. A descriptive text explains that map tools can be used to zoom in/out or pan around the map to locate cases or properties. Below the text are tabs for 'Simple', 'Advanced', 'Weekly / Monthly Lists', 'Property', and 'Map'. The 'Map' tab is selected. The main area shows a map of a region with various colored overlays. A 'Legend and Filter' panel on the right indicates 'No longer showing search results. Within the last 6 months'. The legend includes categories: 'Planning' (Application, Appeal, Enforcement), 'Licensing' (Licensing Application, Licensing), and 'Property'. Arrows from the text above point to the zoom/pan icons on the map and the 'Application' checkbox in the legend.

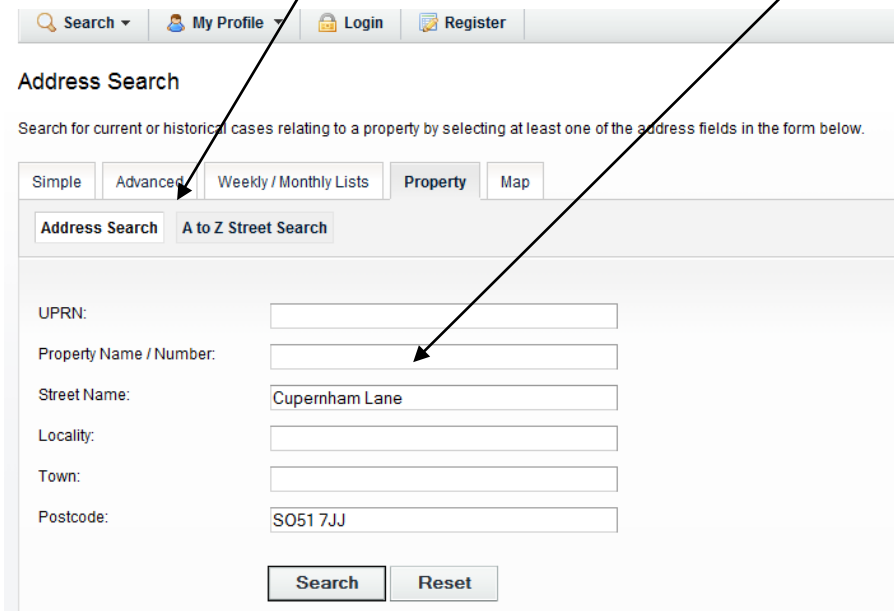

Once you have selected the area/site required, planning applications shown in this view will be outlined in red on the map – click within the red edge to identify the application(s) submitted on the individual property/site you are interested in; the site address and proposal will also display. Click on the **Application Details** link to take you to the details screen for each application where you can view the associated documents.

## Using Property Search

[\(Back to Contents\)](#)

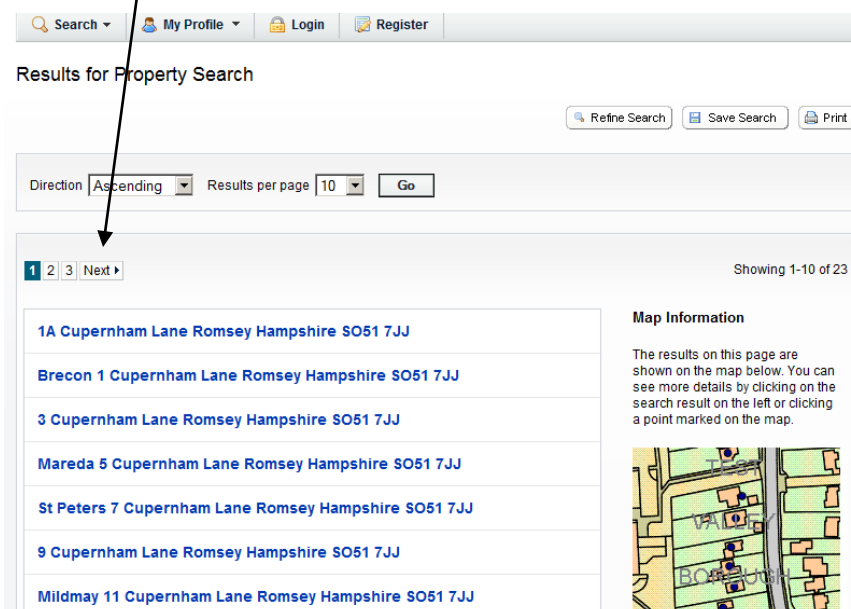

This feature enables you to find out what is happening at a particular address and is the quickest way to do a property search. Once you have selected the Property tab you have two options.

Option 1 – Use the Address Search and enter part of an address into the appropriate fields(s) on the screen and select Search.

The screenshot shows the 'Address Search' section of a web application. At the top, there is a navigation bar with 'Search', 'My Profile', 'Login', and 'Register' links. Below this, the 'Address Search' heading is followed by a sub-heading: 'Search for current or historical cases relating to a property by selecting at least one of the address fields in the form below.' There are four tabs: 'Simple', 'Advanced', 'Weekly / Monthly Lists', 'Property', and 'Map'. The 'Address Search' tab is active, and 'A to Z Street Search' is also visible. The form contains several input fields: 'UPRN:', 'Property Name / Number:', 'Street Name:' (with 'Cupernham Lane' entered), 'Locality:', 'Town:', and 'Postcode:' (with 'SO51 7JJ' entered). At the bottom of the form are 'Search' and 'Reset' buttons. Two black arrows originate from the text above: one points to the 'Advanced' tab, and the other points to the 'Property Name / Number' field.

Use the **Next** button to move through each page of your results. From the list of properties select the address required – this will take you to a details screen for this address where you can view any Property History and Constraints.

The screenshot shows the 'Results for Property Search' page. At the top, there is a navigation bar with 'Search', 'My Profile', 'Login', and 'Register' links. Below this, the 'Results for Property Search' heading is followed by three buttons: 'Refine Search', 'Save Search', and 'Print'. There are two dropdown menus: 'Direction' set to 'Ascending' and 'Results per page' set to '10', with a 'Go' button. Below this, there is a pagination control showing '1 2 3 Next >' and 'Showing 1-10 of 23'. The main content area displays a list of six property results, each with a blue link: '1A Cupernham Lane Romsey Hampshire SO51 7JJ', 'Brecon 1 Cupernham Lane Romsey Hampshire SO51 7JJ', '3 Cupernham Lane Romsey Hampshire SO51 7JJ', 'Mareda 5 Cupernham Lane Romsey Hampshire SO51 7JJ', 'St Peters 7 Cupernham Lane Romsey Hampshire SO51 7JJ', and 'Mildmay 11 Cupernham Lane Romsey Hampshire SO51 7JJ'. To the right of the list is a 'Map Information' section with a small map showing the location of the properties. A black arrow points from the text above to the 'Next >' button in the pagination control.

Option 2 – Use the **A to Z Street Search** option and select a letter to display all the street names beginning with that letter. Scroll through the street names, using the **Next** button for each page, and select the one you are interested in.

### A to Z Street Search

Click on a letter below to get a list of streets beginning with that letter. Clicking on a street will display a list of properties on that particular street.

Use the **Next** button to move through each page of your results. Select the address required from the list – this will take you to a details screen for this particular address where you can view any Property History and Constraints.

### Results for Property Search

## Making a Comment on a current Planning Application [\(Back to Contents\)](#)

You are able to comment on current planning applications within Test Valley and it would be helpful in the consideration of your comments if you could supply your name and full address. Please do not include any telephone numbers or signatures, as we do not require this information.

Please note that all representations received will be available for public inspection and available for copying in accordance with the provisions of the Access to Information Act, so you should only include information you are happy will be available in this way.

We publish comments from members of the public about planning applications on our website. If you comment on an application, relevant information including your name, postal address, whether you object to or support the application and date of submission, will be included. However, please note that when an application has been decided third party comments are removed from the application on our website – this is in line with best practice and The Data Protection principle no. 5 “Personal data processed for any purpose or purposes shall not be kept for longer than is necessary for that purpose or those purposes.”

Comments **submitted via the website** will appear under the **Comments/Public Comments** tabs; hard copy letters and emails will be scanned into our document management system will appear under the **Documents** tab.

To make a comment you must first register and login to the system; you can then search for the planning application you are interested in, once you have the application details on screen select **Make a Public Comment** and complete details as requested on the form.

Send me an email confirming my comments

Once you have completed the details on the form, click on the **Submit** button. If you make a mistake and want to redo your comments click on the **Reset** button.

If you have requested an “email confirming your comments”, then you will receive an email shortly after submission confirming receipt. If you do not receive an email, please contact us at [planning@testvalley.gov.uk](mailto:planning@testvalley.gov.uk).

By using the online form to submit your comments, these details will appear in the “Public Comments” area of the planning application almost immediately; a copy is also automatically sent to [planning@testvalley.gov.uk](mailto:planning@testvalley.gov.uk) and passed to the case officer for consideration.

**IMPORTANT NOTE: Please do not use any symbols or tabs within the comments box, as this may cause an error when submitting your comments.**

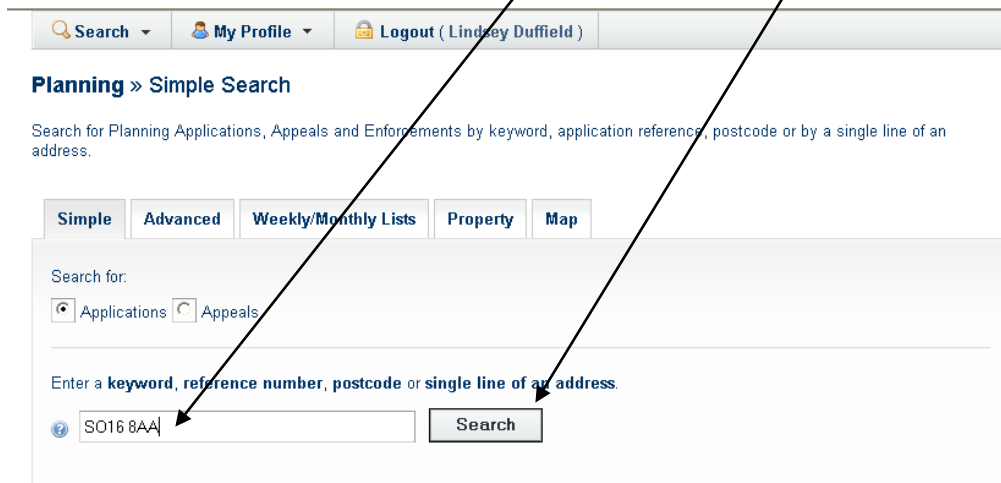

## Saving a Search

[\(Back to Contents\)](#)

Note: You need to **Register and Login** to save searches.

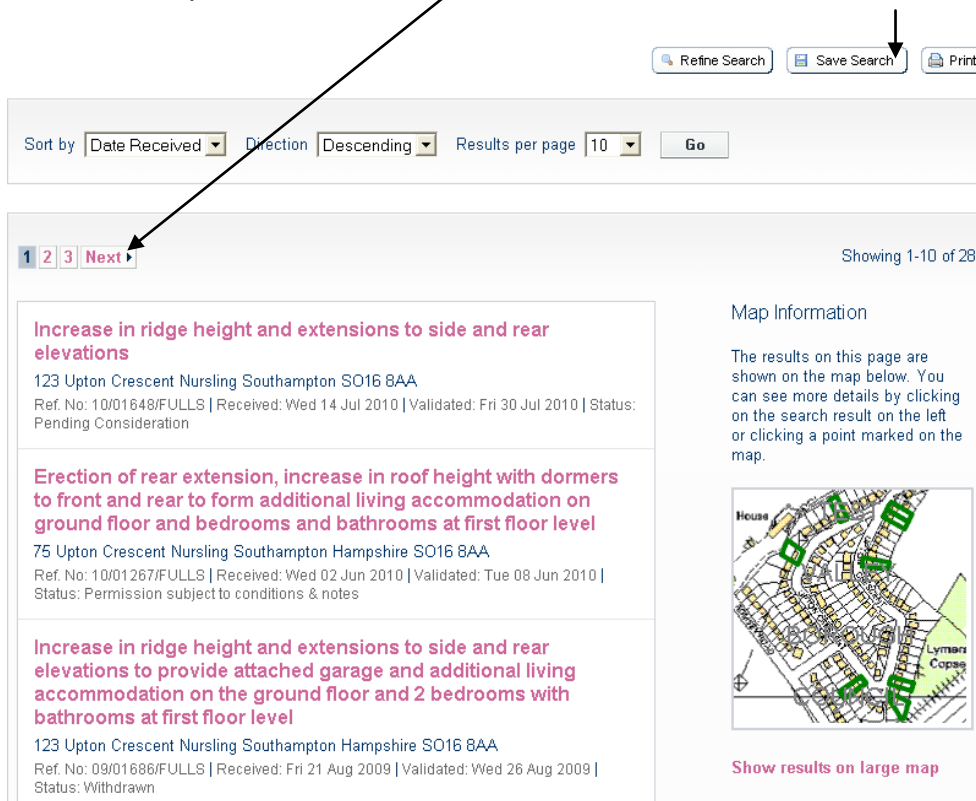

This feature allows you to save details of a search you have made for future use, for example specific property/area searches. Use **Simple** or **Advanced** search to find the results required.

Using **Simple** search – eg. type in postcode, click on **Search**.

The screenshot shows the top navigation bar with 'Search', 'My Profile', and 'Logout (Lindsey Duffield)'. Below is the 'Planning » Simple Search' section. A search bar contains 'SO16 8AA' and a 'Search' button. Arrows from the text above point to the search input and the 'Search' button.

Results are displayed. Use the **Next** button to move through each page and view results. To save this postcode search for another time, click on **Save Search**.

The screenshot shows the search results page. At the top right, there are buttons for 'Refine Search', 'Save Search', and 'Print'. Below these are sorting options: 'Sort by Date Received', 'Direction Descending', and 'Results per page 10'. A 'Go' button is also present. The main content area shows a list of results with a 'Next' button. A map on the right shows the location of the results. Arrows from the text above point to the 'Save Search' button and the 'Next' button.

**Note:** Email notifications of new results within your search criteria are currently sent out at 11.00am each day.

# Tracking Applications

[\(Back to Contents\)](#)

Note: You need to **Register** to track applications.

This feature enables you to keep up-to-date on the progress of a specific application. You will receive an email notification when: the application has been withdrawn/returned, or a decision has been issued.

To **Track** an application **Login** and search for the application you are interested in, once you have the application details on screen select **Track**.

The screenshot shows the top navigation bar with 'Search', 'My Profile', 'Login', and 'Register'. Below it is the 'Planning » Application Summary' header. The main content area displays details for application 10/01238/RESS, including its address and status. A 'Track' button is highlighted with a yellow background and a black arrow pointing to it from the text above.

To view this application at a later date, select **Tracked Applications** from the **My Profile** drop down list.

The screenshot shows the 'My Profile' dropdown menu open. The 'Tracked Applications' option is highlighted with a black arrow pointing to it from the text above. Other options include 'Profile Details', 'Saved Searches', and 'Notified Applications'.

Then select the yellow **View** folder beside the application. From here you are also able to **Stop Tracking** applications – these are then removed from your list.

The screenshot shows the 'My Profile » Tracked Applications' page. It features a table with columns for Reference, Address, Type, Status, View, and Stop Tracking. A yellow folder icon is visible next to the 'View' column for the first three rows, and a red 'X' icon is visible next to the 'Stop Tracking' column for all rows. Arrows from the text above point to these icons.
