I am writing in support of the neighbourhood development plan which Houghton Parish Council has submitted for adoption.

I fully support the Plan developed to maintain the character of this rural village. Recently some large houses have been built which does not reflect this character, and there has been loss of trees, hedges and open spaces. It is most important that these green spaces are protected from further development, page 37. If there is a housing need it is for smaller houses and I support what is said in pages 16-22.

We have few community services in Houghton. There is no mains drainage, no gas, no shop, no doctors surgery and minimal bus services. Increasing the number of houses will continue to put pressure on the area with the inevitable rise in traffic.

I fully support the adoption of the Neighbourhood Development Plan as I am concerned that it will be impossible to protect the remaining green spaces in this conservation area if the building development continues, which is so out of proportion to the size of this village. NDP paper 26-29.
