Andover Town Council

Dear Sir

Re: Application for the designation of a Neighbourhood Plan

In accordance with the Statutory Instrument, Town and Country Planning England: Neighbourhood Planning (England) Regulations 2012, Andover Town Council makes formal application to Test Valley Borough Council for the designation of the land which will constitute the area in the Neighbourhood Plan being prepared by Andover Town Council under the statutory regime for neighbourhood planning, made under the Localism Act 2011.

In accordance with Part 2 of The Neighbourhood Planning (General) Regulations 2012, paragraph 5(1), this application submits:

- (a) The application relates to a boundary that is coterminous with the current ward boundary of the parish of Andover.
- (b) The Designated Neighbourhood Plan Area is the current boundary and administrative area of Andover Town Council. Councillors currently represent and serve this area and the Town Council considers it essential to consider the needs of the area. A Parish Plan is currently being progressed.
- (c) That Andover Town Council is the relevant body for the purposes of the Town and Country Planning Act 1990, section 61g(2) as specified by paragraph 2(a) of Schedule 9 of the Localism Act 2011 for the preparation of a Neighbourhood Plan.

The Andover Town Council recognises that local and national policies favour growth and development in the Test Valley Borough.
