Corporate Responsibilities

All employees are required to adhere to corporate policies, procedures and codes of conduct; full details can be found on the intranet or from your line manager. Particular aspects include:

Health and Safety - Every employee while at work has a duty to take reasonable care for the health and safety of himself/herself and of other persons who may be affected by his/her acts or omissions at work - Health and Safety at Work Act 1974.

All employees are required to adhere to the Council's corporate policy, procedures associated with their duties and to undertake tasks/training in that context, as required.

Safeguarding - This Council is committed to safeguarding and promoting the welfare of children and young people and vulnerable adults and expects all employees and volunteers to share this commitment, and to adhere to the Council's Safeguarding Policy.

Equalities – This Council is committed to providing equal opportunities for all. We believe that employing people from different backgrounds with a range of perspectives and experiences helps us to deliver high quality services to all our residents. We employ people based on their abilities and potential, regardless of any protected characteristics.

Social Media - Employees are required to adhere to social media corporate policies and to undertake tasks/training in that context as required. Employees must not bring the Council into disrepute through their use of social media either personally or on behalf of the Council.

Financial – Employees are required to adhere to the Council's financial regulations and to undertake tasks/training in that context, as required.

Risk Management - Employees are required to adhere to the Council's risk management strategy and to undertake tasks/training in that context, as required.

Data Protection and Data Security - We hold and process information about our customers and as such we are legally obliged to protect that information. Data protection is important for the Council, and employees are required to understand and adhere to relevant policies and procedures.
