If this is a joint application with joint control each Parish will need to complete this application form.

5) For all applications

Please describe below why you consider that the extent of the neighbourhood area is appropriate.

The Over Wallop Parish Council believes it appropriate that the whole parish is included in the neighbourhood area given the strong overlap of interests across the various settlements within the Over Wallop Parish including Over Wallop village, Palestine and Kentsboro. It should be noted that the parish includes the Army Aviation Centre, located at Middle Wallop. While the Army Aviation Centre will formally be included within the neighbourhood area they have asked not to be included in the Neighbourhood Development Plan process.

Please attach a copy of the signed minutes of the Parish Council meeting(s) at which it was agreed that an application would be submitted and that whole/part of the Parish council area could be included in the Neighbourhood Area.

6) Declaration

I hereby apply to designate a Neighbourhood Area as described on this form and the accompanying plan.
