PART II

PROVISION OF OFF STREET PARKING PLACES

6. The Council in pursuance of the power conferred upon it by section 32(1)(a) of the 1984 Act hereby provides the parking places.

PART III

USE OF PARKING PLACES

7. Each parking place may, subject to the provisions contained in this Order, be used as a parking place on the days and during the times of availability for parking specified in column 3 for the classes of motor vehicles specified in column 4 for the maximum waiting period specified in column 5 of Schedules 3 to 5.
8. Pedestrian access within a parking place is available only to persons driving or being conveyed in motor vehicles and entering the parking place solely for the purpose of or in connection with the parking of a motor vehicle and does not extend to pedestrians other than the drivers of motor vehicles or their passengers leaving or returning to their motor vehicles and no right of way whatsoever over the parking place other than for the purpose of parking or removing motor vehicles shall be deemed to have been granted by the Council.

9. If owing to the presence of a vehicle in a parking place an accident occurs whereby personal injury or damage is caused to any property (including the parking place) or to any vehicle, the driver of the motor vehicle shall stop and if required by any officer agent or servant of the Council or any other person having reasonable grounds for so requiring shall give his or her name and address and also the name and address of the owner and the identification marks of the motor vehicle and details of his or her certificate of insurance and further the driver shall by the next working day report the incident to the Council.
10. The Council may at its own discretion alter the layout of any parking place by:
 - 10.1. reducing or increasing the numbers of parking bays or by changing the route of the access ways or roads within the parking place; or,
 - 10.2. changing the ratio of parking between PLG motor vehicles and coaches and solo motorcycles and disabled persons motor vehicles.
11. The Council may following 21 days public notice provide security devices at any parking place including (but not by limitation) lighting, walls, fencing, bollards, gates or barriers and may for any reason, for example to prevent nuisance either within the parking place or to adjoining properties, lock the gates or barriers on the days and at the time or times stated upon a notice erected at the entrances and exits of such parking place and the use of that parking place shall be considered to be suspended during the times that the gates or barriers are locked for the purposes of this Order.
12. The Council may without notice provide or make provision for additional apparatus or parking devices for the payment of a parking charge at any parking place.
13. The Council may upon the suspension of any parking place or any part thereof under the provisions of either Article 38 or Article 41 authorise the use of any parking place or part thereof for any purpose.

PART IV
RESTRICTIONS ON USE OF PARKING PLACE

14. On days and at the times other than those stipulated in column 3 of Schedules 3 to 5 when a parking place is not available for the parking of motor vehicles or is suspended no person shall park or leave or permit a motor vehicle to remain in any parking place.

15. The Council shall not be obliged to compensate any person for any loss or inconvenience or for any other reason caused by the locking of the entrance gates to any parking place during the times that the parking place is not available for the parking of motor vehicles or is suspended.
16. The driver of a vehicle shall not leave a vehicle in a parking place during charging hours or during availability times for a period longer than the maximum waiting period permitted for that parking place either specified in column 5 of Schedules 3 to 5 or specified on the Electric Vehicle Charging Points signage for that parking bay, or longer than the time or period paid for or stated on any parking pass issued to the driver.
17. The driver of a vehicle shall remove or cause to be removed that vehicle from the parking place, on or before the expiry of the period paid for or stated on any parking ticket or parking pass issued to the driver, and shall not re-park that vehicle within that parking place within the “No return within” period (if any) stated within column 5 of Schedules 3 to 5.
18. Articles 16 and 17 shall not apply on any Sunday, Christmas Day, Good Friday and any other day that is a public bank holiday in England when no parking charge shall be required to be paid when a vehicle is left in any parking place during charging hours and there are no restrictions on the length of stay and no restriction on re-parking.
19. Where in column 4 of Schedules 3 to 5 a parking place is described as available for motor vehicles of a specified class the driver of a motor vehicle shall not enter into that parking place or leave a motor vehicle in that parking place unless it is:-
 - 19.1. of the specified class and;
 - 19.2. left in a position specified for that class of motor vehicle and;

PART VI
PAYMENT FOR PARKING

43. Unless either the driver or the vehicle is exempt from the requirement to pay a parking charge or the driver has displayed either a parking pass or season ticket valid for the motor vehicle and the parking place, and (depending upon the nature of the parking device provided by the Council in each parking place for the payment of the parking charge) the driver shall immediately upon parking a motor vehicle in a parking place, either pay the parking charge (pay upon entry), or register the motor vehicle for the later payment of the parking charge (pay upon exit).
44. Payment of the parking charge shall be made in every case in accordance with the conditions and instructions displayed in the parking place and using any parking device provided by the Council at the parking place for payment of the parking charge in that parking place being (for example, but not by limitation) by means of:
 - 44.1. the purchase of a parking ticket, from a parking ticket dispensing machine; or,
 - 44.2. through any electronic cashless payment facility provided by the Council either through a parking device located within the parking place or remotely using the drivers own computer device, smart or touch tone cellular telephone, debit or credit card or prepaid card system.
45. Where alternative parking devices for payment of the parking charge are provided but one or more of them are defective then the driver shall pay the parking charge using one of the alternative parking devices.

46. Upon any occasion when a vehicle is left in a parking place during charging hours when all parking devices provided by the Council (as opposed to a computer smart phone or touch tone telephone provided by the driver) are inoperable the driver of that vehicle shall be exempt from the requirement to pay a parking charge on that occasion only.
47. The parking charge to be paid shall be that stipulated in Schedule 1 Parking Charges and Time Limits.
48. Pay on entry parking tickets shall be displayed in the relevant position on the vehicle at all times whilst the vehicle is left in the parking place. With the exception of parking place 49 Romsey Rapids car park such a ticket must be displayed for any period of free parking available at that car park.
49. Subject to any maximum permitted waiting period the driver of a vehicle shall ensure that the correct parking charge is paid to cover the entire period during charging hours that a vehicle is left in a parking place whether or not the driver remains with the motor vehicle.
50. A parking ticket may be displayed only on the vehicle for which the parking ticket was purchased.
51. A parking ticket for a trailer may be displayed in the relevant position upon the motor vehicle by which it is drawn in addition to the parking ticket for that vehicle.

PART VII

EXEMPTIONS FROM PARKING CHARGE

52. The following motor vehicles shall be exempt in the circumstances described below from the obligation to pay a parking charge for parking during the charging hours set out in column 2 for parking of motor vehicles specified in column 4 in Schedules 3 to 5:
 - 52.1. Subject to Article 52.2 below a disabled persons motor vehicle upon which is displayed in the relevant position a disabled persons badge and disc may be left:-
 - a) for a period of up to 3 hours in any parking places referred to in Schedule 3 which have a maximum waiting period of either 1, 2 or 3 hours EXCEPT in

parking place 1 High Street, Andover, where the maximum permitted waiting time for vehicles displaying a disabled persons badge is two hours; or,

b) for a period up to the maximum permitted waiting period in all other parking places referred to in Schedule 3.

- 52.2. A disabled persons motor vehicle upon which is displayed in the relevant position a disabled persons badge may be left in High Street Andover (south end) parking place number 1 between 08:30 hours and 18:00 hours on any Monday, Tuesday, Wednesday and Friday that is not a market day for a maximum period of 2 hours with no return within 1 hour.
- 52.3. A solo motorcycle left in a solo motorcycle parking bay. Motorcycles parked in standard bays or any parking bay reserved for charging electrically propelled motorvehicles are not exempt from the requirement to pay to park.
- 52.4. A motor vehicle upon which is displayed in the relevant position a Council member's permit whilst such member is engaged on Council business may be left for a period up to the maximum permitted waiting period in any parking places referred to in Schedule 3 .
- 52.5. A motor vehicle upon which is displayed in the relevant position a Council staff permit issued to an officer of the Council which is marked "Monday to Friday inclusive" or marked "Monday to Saturday inclusive" whilst such officer is engaged on Council business may be left for a period up to the maximum permitted waiting period in any parking places referred to in Schedule 3.
- 52.6. A PLG motor vehicle upon which there is displayed in the relevant position a parking permit for the parking place in which that vehicle is left, and if specified, for the specific bays indicated either in the parking place or upon the parking permit, for the duration stated on the parking permit only.
- 52.7. Motor vehicles belonging to the occupiers of Anton House their employees and visitors left in Marlborough Street Andover (adjacent to east side of Anton House) parking place number 12 Monday to Friday inclusive between 08:00 and 18:00 hours.
- 52.8. Licensed hackney carriages parked in accordance with Articles 36.8 and 36.9.

52.9. Disabled persons motor vehicles parked in accordance with Articles 36.7 and 52.1 and 52.2.

52.10. Council liveried vehicles may be left whilst on official Council business in any parking place during the days and times of availability stipulated in column 3 of Schedule 3. Unless a valid parking pass is displayed in the relevant position on such vehicles, waiting shall be restricted to the maximum waiting period stipulated in column 5 of Schedule 3.

52.11. Buses waiting or parked in accordance with Article 36.17 and 36.18.

SEASON TICKETS

53. The Council may (subject to the availability of season ticket parking bays) permit a person to purchase one or more season tickets in respect of any parking place indicated by the word "Yes" in column 6 of Schedules 3 to 5 for use in the parking place named on the season ticket only.

54. The Council shall be at liberty to determine from time to time the number of season tickets to be sold in each parking place which determination shall be based upon fluctuating demand for parking.

55. If the owner of a motor vehicle wishes to purchase a season ticket such owner shall apply to the Council and if the Council agrees to issue a season ticket the applicant shall pay to the Council the season ticket parking charge specified in Schedule 2 for the appropriate parking place and the said owner shall abide by the terms stipulated by the Council for the use of such season ticket.

56. The Council shall be at liberty to offer for sale annual season tickets for Chantry Centre Multi-storey Car Park and Shepherds Spring Lane Car Park, when purchased (subject to availability) in quantities of one hundred or more at the reduced rates stipulated in Schedule 2.

57. A season ticket may be used only in the parking place in respect of which it is issued.

58. In those parking places where season ticket parking bays are segregated from non-season ticket parking bays the driver of a motor vehicle with the benefit of a season ticket shall park that motor vehicle only in a parking bay indicated by markings and/or signs for season ticket holders motor vehicles.

59. A season ticket shall be displayed in the relevant position on the motor vehicle.

PART VIII PARKING OFFENCES

60. Any person responsible for a breach of any provision within this Order shall be guilty of an offence under the provisions of Section 35A.(1) of the 1984 Act (Offences and proceedings in connection with parking places provided under s.32 or 33) and Section 73 of the 2004 Act (Contraventions subject to civil enforcement) shall apply to this Order.

61. The Council may treat the indications given by any apparatus or parking device provided by the Council for the payment of the parking charge as a means to indicate the time at which a vehicle arrived at, and at the time at which it ought to leave a parking place or, or one or other of those times.

62. The provisions of The Civil Enforcement of Road Traffic Contraventions (Approved Devices, Charging Guidelines and General Provisions) (England) Regulations 2022 apply to penalty charges for parking contraventions in respect of this Order.

63. The Council has elected for the purposes of The Civil Enforcement of Road Traffic Contraventions (Approved Devices, Charging Guidelines and General Provisions) (England) Regulations 2022 to set the levels of penalty charges for higher level contraventions (as defined in the said Order) and for lower level contraventions at the rates stipulated in Schedule 2 to this Order.

PAYMENT OF A PENALTY CHARGE

64. Penalty charges shall not be paid to a parking attendant or civil enforcement officer, neither of whom are authorised to accept them.

65. Penalty charges shall be paid in accordance with the instructions printed on the back of the PCN to reach the Council no later than 16:30 hours by the date specified on the PCN but should Council Office be closed on the said date specified the period for receiving payment may be extended until 16:30 hours on the next full working day.

PART IX
REMOVAL OF VEHICLES

66. On any occasion when a vehicle is left in a parking place in contravention of any of the provisions of this Order a parking attendant or civil enforcement officer or other person authorised by the Council may alter or cause to be altered the position of such vehicle in order that its position shall comply with that provision or may remove or arrange for the vehicle to be removed from a parking place and for the safe custody of that vehicle.
67. Any person removing or altering the position of a vehicle by virtue of this Article may do so by lifting or towing or driving the vehicle or in such other manner as he/she may consider necessary and that person may take such measures in relation to the vehicle as he/she may consider necessary to enable him/her to remove the vehicle or alter its position as the case may be.
68. In case of emergency any person authorised by the Council may move or cause to be moved or removed any motor vehicle from any parking place to any location that that person considers appropriate.
69. When a vehicle has been removed from a parking place under the provisions of this Order, the costs of removal and for its safe custody shall be the liability of the driver and in the event that the driver cannot be either identified or traced then the person appearing to the Council to be the owner of the vehicle shall be liable for such charge.
70. The vehicle removal charge stipulated in Schedule 2 shall be paid to the Council in respect of either moving a vehicle within a parking place or removal of a vehicle from a parking place.
71. The vehicle storage charge stipulated in Schedule 2 shall be paid to the Council in addition to the vehicle removal charge for each day or part of a day that a vehicle is stored by the Council under the provisions of Article 66.
72. If it appears to the Council that any vehicle within any parking place has been abandoned, The Council may remove it or arrange to have it removed; or, if the Council exercise its Statutory powers of removal of an vehicle found abandoned within any parking place which vehicle is subsequently disposed of by the Council then in addition

to the vehicle removal charge and the vehicle storage charge the owner shall pay to the Council the vehicle disposal charge stipulated in Schedule 2.

PART X
VALIDITY, ENFORCEABILITY

73. If a court, the Department for Transport, the Traffic Penalty Tribunal or the Traffic Enforcement Centre declare any part of this Order to be invalid or unenforceable such declaration shall not invalidate the remainder of the Order.
