**THIRD WITNESS STATEMENT OF INSPECTOR CHRIS TAYLOR**

---

I, **Inspector 20000 Christopher Taylor**, based at Andover Police Station, South Street, Andover SP10 2ED. I WILL SAY AS FOLLOWS:

1. I am Inspector 20000 Christopher Taylor, a police officer for Hampshire Constabulary. I am the Test Valley District Inspector based at Andover Police Station.
2. This statement is further to the one I provided on the 11<sup>th</sup> of June 2020 in connection with unauthorised encampments in the Borough of Test Valley, Hampshire. Please refer to that statement for details of how Hampshire police record and document these matters.
3. I make this statement in support of the claimants ongoing claim for an injunction against the above named Defendants and Persons Unknknown. The

facts in this witness statement comes from my own knowledge, or where they are not from my own knowledge, they are true to the best of my knowledge and belief.

4. Since the granting of the injunction in 2020, and the amended injunction in 2021, the Borough saw a significant reduction in unauthorised encampments in the geographical areas that the injunction covers. When the Council has had cause to invoke the injunction it has been very effective, and all sites have been vacated promptly, and with minimal police involvement.
5. Other geographical areas in the Borough not covered by the injunction have seen significant encampments, often with related criminality. When action is not taken promptly this often attracts negative comments directed towards the police, and Council, from the affected community.
6. Some of these encampments have required the mobilisation of large numbers of police officers. This would normally consist of 1 Inspector 3 Sergeants & 21 Constables.
7. I have compiled a further list of the 19 incidents that Hampshire Constabulary have dealt with relating to unauthorised encampments since the date of my last statement to the Court (11<sup>th</sup> June 2020) to August 2022.
8. I have compiled the reports in relation to each of these incidents and exhibit these to this witness statement at exhibits CT1 – CT19.
9. As previously these reports have been redacted to protect the identities of informants, victims and other persons involved where appropriate. Each report comprises some or all of the following: CAD summaries, Occurrence Details, C58 forms and photographs (if any were taken).
10. I refer to the following reports in connection with unauthorised encampments, and linked crimes and incidents, from 11<sup>th</sup> of March 2021 until 30<sup>th</sup> of August

2022. Full details can be seen in the exhibits I mention above, which I also summarise them as follows, taking the earliest first.

11. **23/07/21 Romsey Rapids, Romsey 44210291833.** Exhibit **CT1** - A report was received of 1 caravan at the long stay car park at the Romsey Rapids Leisure Centre in Romsey. An encampment formed at Adanac Park, Nursling, Southampton. A large group of 20-30 caravans had been followed by police from Basingtoke to Southampton (though within Test Valley Borough Council area) where they set up camp in a Southampton Hospital staff park and ride car park and Covid-19 testing location. The group comprised the Connors family including John and Michael Connors and others.

Vehicle registration checks showed that vehicles forming part of the encampment included those owned by Tomas Connors, Harry Moore, Patrick Jones, Andy Bailey, Arthur Stones, Vitalijus Radkevicius Kathleen Hanrahan and Michael Nevin.

A vehicle which ultimately arrived at the camp was observed being driven on the wrong side of the road and through a red traffic signal in Southampton. A stolen trailer was found at the encampment and a male was arrested. A female related to the encampments was reported to steal sandwiches from Marks and Spencer at motorway services and a group threw donuts around in the WH Smith store, classified as a public order matter- intentional harassment, alarm or distress. There were complaints from a nearby Holiday Inn Hotel that long fluorescent light bulbs were thrown into the hotel. A group of youths were reported as throwing bricks and stones at cars in the car park and smashed a windscreen. A cabin located in the park and ride car park had its windows smashed with glass all around the cabin and road and the electrical input connection was displaced.

As a result of the encampment the COVID swabbing service had to move to an alternative facility, increasing traffic and demand at that facility. Hospital Staff were redirected to alternative parking at the hospital, putting pressure on public parking. Adults in balaclavas were reported on CCTV looking through items on the site and were observed trying to damage the CCTV feed and a generator.

An informant reported security cables being cut by a woman and youth from the site cut security wires off two reciprocating saws which were then stolen from a nearby B&Q Store where staff followed the offenders in their van to the encampment.

A hospital worker reported a vehicle in the car park having a screwdriver head driven into its lock, causing damage. A report was made from a nearby pub of a male trying to gain access to the pub when it was closed – the male had caused trouble the previous night resulting in the pub staying closed for its usual breakfast service as a precaution. The previous night the male had been asked to leave and threatened to 'take your head straight off and chuck you through the window' then tried to get back in. Another staff member was threatened with 'I'll smash your fucking face in'. In a separate incident one of the group threatened to 'raid the place' [the hotel]. The hotel reported having to lock its doors to stop children from the group trying to get in and pestering customers and having to provide refunds. An informant reported that a group from the encampment had broken a fence and were looking into vehicles. Reports were received of shoplifting by those at the encampment from a nearby Sainsburys Store. Clothes, batteries and two 'Henry' Hoovers were stolen and the thefts were captured on CCTV.

Section 61 Police powers were authorised on 5<sup>th</sup> March 2022 involving a large mobilisation of Public Order trained Police officers. The group left the site on 08/03/22.

**19. 11/05/22 Playing Fields North Baddesley 4422018575613 44220185719**

Exhibit **CT9** - An informant contacted the police to say 13 cars and 13 caravans had turned up at the recreation ground with approximately 50 individuals. A height restriction barrier had been cut through to gain access and a youth football competition was planned on the land later that day. The landowner North Baddesley Parish Council. A Public Order Offence was reported when an individual trying to stop the vehicles accessing the site was threatened and reported that individuals had tried to run him over with their vehicle. Reports were received of an aggressive dog, youths from the site

entering a nearby business and verbally abusing staff Registered keepers of vehicles on site included James Galbraith, Tom Smith, Julienn Donavan, Linda Barnett, Matthew Nicholson, Steven Jackson and Patrick Quilligan. Section 61 Police powers were used and the group left within 5 hours.

20. **16/05/22 Land at junction of Nursling St and Cramer Avenue, Nursling 44220193766 Exhibit CT10** - Approximately 7 caravans and 18 vehicles set up an encampment at land owned by Test Valley Borough Council, apparently on their way to Wickham Horse fair. There were no linked offences the group left on 24/05/22 to attend Wickham Horse Fair.
21. **20/05/22 Charlton Sports Centre Andover 44220200301 44220201396 44220201388 Exhibit CT 11** - Test Valley Borough Council reported that approximately 8 caravans and 10 vehicles had set up an encampment on the Council owned Athletics track. A sports event was due to take place the following day. A report was made of a vehicle related to the encampment attending a local garage, having tyres fitted then the driver threatening to 'kick the tyre fitter in', refusing to pay for the tyres and advising that they would return and break into the shop that night. Vehicles present at the site were registered to Martin McDonagh, Mary Collins, Pat Ward, Martin Sweeney, Patrick Collin, Charlie McDonagh, Willie McDonagh John McDonagh, Patrick Collins. Section 61 Police powers were used and the group left on 21/05/22.
22. **31/05/22 44220215937 Premier Inn, Joule Road, Andover Exhibit CT 12** - An informant reported an illegal encampment at the Premier Inn. 4 vehicles and 4 caravans and approximately 8 adults and 3 children. One vehicle was registered to James Sweeney. A report was received of the group are now throwing sticks at the windows of the hotel and damaging cars parked in the car park – Criminal damage was reported under same report 44220215937. The group left the same evening.
23. **01/06/22 Potters Heron Public House, Ampfield. 44220217912 44220218377 44220218373 Exhibit CT13** - A report was received of 7 vehicles and 3 caravans setting up in the hotel car park. A report was

received of a member of public being threatened by persons from the encampment. A further report was made of travellers trying to come into the hotel to use the toilets and when refused entry were told that they would let their children run riot, which made the staff member feel threatened. The group left on 02/06/22. Vehicle checks showed registered keepers of some of the vehicles to be Sarah Crawley, Charles Ward, and Mary McDonagh.

**24. 02/07/22 Romsey Rapids, Romsey 44220263457 44220265200**

**44220264762** Exhibit **CT14** Test Valley Borough Council reported 3 motorhomes and a vehicle setting up encampment on the Council owned car park next to the Romsey Rapids sports centre each vehicle taking up several parking spaces. Vehicles were registered to the same individuals as the Potter's Heron encampment above. Reports were received of a group of 8 or 9 youths from the encampment in the pool at the Leisure Centre refusing to get out of the pool and refusing to leave. The informant reported having to remove all other customers from the pool to resolve the situation but the children again refused to leave and shouted at the lifeguard. When they did eventually leave the pool reports were received of them arguing with members of public in the carpark and a bottle was thrown which hit a customer. The group left on 06/07/22.

An encampment formed on the Parish Council-owned playing field at Nursling. Originally 15 caravans, the encampment later grew to an estimated 70 vehicles (including caravans). It is believed the group had moved from nearby Fleming Park Leisure Centre. Individuals were observed using mechanical equipment to cut the gate as they did at Fleming Park where disorder was caused and the site shut down.

Several reports of human excrement were received including a naked male defecating on a path between the school and recreation ground in full view, leaving faeces and toilet roll on the path. Another male was reported going into the wooded area to defecate before returning to the encampment. A male was reported as walking the pathway by the school in his underpants. Reports were received of noisy quad bike riding and dogs barking all day and night. A complainant reported travellers defecating against her fence.

A cloned vehicle was on site and a stolen vehicle recovered. Shoplifting was reported from the nearby Co Op Store, described individuals from the site as just coming in and taking what they wanted. Having been moved on from the sports field, an informant reported the group breaking through a fence into the next door field. An informant reported a group from the encampment swearing at neighbouring children through the fence and an adult lifting up his shirt to show a BB gun. An informant describes screaming and shouting from the camp, dogs running loose and defecating with a further report of children riding across the field on quad bikes, aggression and verbal abuse.

Vehicle registration checks showed vehicles present registered to Jayson Stanley, Willie Doyle, Matthew Watts, Andrew Piercy, Mary Mullane, John Lee, Josie Connors, Bobby James, Danny O'Brien, Francie, Mullane, Brian Morgan, Roger Tuppen, Shanon Price, Daniel O'Donovan, James McDongah, David Moors, Sally Ann O'Connor, Edward Thomas, Michael Stokes, Martin Doherty, Christopher Bickerstaff, James Craig, James Coran, Pat Mullane, John Mohan, Nathan Stewart, Miss Quilligan, Isabel Langlands and Savanah Carter along with numerous vehicles with 'no trace' on the data base.

Section 61 Police powers were used with a large mobilisation of Public Order trained Police officers. The group left on 15/07/22.

Test Valley Borough Council reported 10-12 caravans moving onto their land at Picket Twenty Sports Ground Andover. This is part of a sports facility and leisure land. Two padlocks were cut to gain entry. An informant reported children from the encampment stealing circa £400 of goods from neighbouring shop, a group of 5 having surrounded her causing her to become frightened while one made off with the goods. A further report of shoplifting was made from a local tackle shop where fishing rods were stolen using a child as a distraction. Several other reports of shoplifting were received, including attempted violence when a store manager tackled the individuals who threatened to return later when the store manager was alone. A vehicle related to the encampment was reported as being used by three males in hoodies and masks to steal £600 of fuel from a local business. The gate was forced with the van to gain entry.

An informant reported a boy's bike being stolen by two children from the encampment- later returned by two adults from the site. A report was received of a children returning home distressed having been racially abused by children and a further report of the theft of a child's scooter and football by children from the site. Vehicle registration checks show vehicles registered to the following to have been present: Helen O'Brien, Thomas Taylor, Tom Smith, Vannessa Sweeny, Patrick Quilligan and John McKeon.

The Council took court proceedings culminating in eviction supported by Police on 29/07/22.

**27. 28/07/22 Land off Duck Street, Abbots Ann 44220304400 . Exhibit CT 17**

A report was received of 1 Caravan and 2 Vehicles and believed to be 8 people setting up camp on farm land off Duck Street and left on 31/07/22.

**4422032329 Exhibit CT 18** A report was received of 20 vehicles and 12 caravans setting up an encampment on the Test Valley Borough Council Plot 90, Walworth Business Park. A report was received of the occupants of

vehicles from the encampment stealing items from a petrol station and swearing at staff. Test Valley Council managed the eviction and the group left on 14/08/22. One caravan was left abandoned on site. Vehicle registration checks show registered keepers of vehicles on site include Jake Howard, Amy Janes, Elisabeth Mosley, Eddie Lee, Martin Quilligan, James Cooper, Daniel Breakwell, Michael Finney, Harry Smith, James Price, Richard John Smith, Michael Coule, Sophie Hay and James Lee

**29. 12/08/22 Andover at Foxcotte Park Sports Ground** (Andover new Street Football and Social Club and Archery Club) **44220326761 44220327202 44220327169 44220326895 44220326687 Exhibit CT19** - Officers were deployed to find 17 Caravans, 22 vehicles and 40 people who claimed to be moving the following day. Vehicle checks show vehicles registered to McDonagh family- Simon McDonagh, Martin McDonagh, Joseph McDonagh, Owen McDonagh along with John Ward, Chantelle Nevin, John Joseph, Alan Eastwood, Tim McDonald and Joe Sweeney. Reports were received of shoplifting. Issues were reported at a local pub where about 20 travellers were refusing to leave and threatening to come back later and 'get them' and put the windows in. Two ladies in a vehicle recorded at the site were reported to enter a local shop and fill a bag with drinks and baguettes and leave without paying. The pub closed early. A vehicle was seized and the group left the following day, 13/08/22.

I believe that the facts stated in this Witness Statement are true. I understand that proceedings for contempt of court may be brought against anyone who makes, or causes to be made, a false statement in a document verified by a statement of truth without an honest belief in its truth.

Enquiry log 28/07/2021 15:01 #15815 MASON, T. No

Call made to who was not aware that the travellers were still in Situ in the Carpark of the Romsey Rapids. He has stated that there is a Hearing Notice occurring on at 11AM on Thursday 29th July to discuss the travellers. There is no criminality being reported at this moment in time and only two caravans in situ. The rationale for calling was to make him aware that the travellers were still present.

NPT SERGEANTS REVIEW

Unsure why this has been tasked to PCSO Jolta-Ciobanu.

Log entry: Tasked to PCSO Mason to confirm whether caravans have now gone.  
 If they have this can be filed.

Log entry:	<p>UNAUTHORISED ENCAMPMENT (Op: Quebec) 2 vehicles/2 caravans belonging to the BOWERS family have established an unauthorised encampment on Romsey Industrial Estate opposite Starlight Trampoline &amp; Gymnastics Club. 3x Males and 2x Females present with one 6-month old baby. Two caravans and towing vehicles. One dog and coup of a few chickens. Currently these are located across some parking bays and interspersed grass areas on the side of the main road through the industrial estate. These are providing no obstruction or impeding on the use of the facilities there. Attendance was just after arrival, but site was in good condition. No damage caused. Unable to identify any 'bollards' as mentioned in the original log and from local knowledge there aren't actually any present here, so not sure exactly where this has come from. A member of the public had stated that his gas had been switched off when the group arrived, however this appears to have been an accident due to where they tethered their dog, which was immediately moved on request. No further vehicles expected. Estimated they will leave by 13/08/2021 by the latest. If this is the case then impact should be minimal based on location. Local residents spoken to and advised to report any further vehicles or issues. Land owner [redacted] advised regarding eviction process via email. This is best managed by Romsey NPT. PC 27950 CURRAN</p>				
Inspector review	11/08/2021 03:19		#3082 THOMAS, A.	No	
Log entry:	<p>Information and Intelligence: UNAUTHORISED ENCAMPMENT (Op: Quebec) - 2 vehicles/2 caravans belonging to the BOWERS family have established an unauthorised encampment on Romsey Industrial Estate opposite Starlight Trampoline &amp; Gymnastics Club. No damage caused. No further vehicles expected. Estimated they will leave by 13/08/2021 by the latest. There are no known welfare issues for the travellers.</p>				

I have considered the following issues:

- i) Local amenities are deprived to communities or significant impact on the environment.
- ii) There is local disruption to the economy.
- iii) There is other significant disruption to the local community or environment.
- iv) There is a danger to life.
- v) There is a need to take preventative action.

Point (i) is not met at this time – the encampment are in an industrial estate

Point (ii) is not met – as above – there is nothing to suggest local economy disruption.

Point (iii) is not met – the site is tidy at present with no rubbish or signs of environmental issues as yet.

Point (iv) is not met – no danger to life.

Point (v) is not met – at this stage, there are no significant issues requiring preventative action.

#### Assess Threat and Risk: Develop Working Strategy.

- Risk to travellers – low
- Risk to residents – low
- Risk to tasked police – low
- Risk to users of site – low

Due to the low risk I have not visited the site.

#### Working Strategy

- Minimise need to use police powers by encouraging landowner to seek legal recourse.
- Use police powers when assessed as being proportionate, lawful, appropriate and necessary
- Open and maintain dialogue with all communities involved.
- Monitor community tension.
- Maintain the confidence of our communities through good communication, explanation & balancing rights of all involved.

#### Powers and Policies:

Op Quebec is the current Hampshire Police operation to deal with this issue.

S61 Criminal Justice and Public Order Act 1994 relates to the issue of unlawful encampments on land by trespassers - this legislation provides police with powers to deal with this issue.

Human Rights Act 1998 to be considered with regards to all police actions.

#### Identify Options and Contingencies:

Legal criteria is not met as the group have not been asked to leave by the landowner. Silver not notified at this time.

#### Action and Review:

The landowner can consider their own action if the group do not move on as stated.

I consider this to be a tier 2 encampment at this time. R&P to continue to monitor and patrol local area where possible. NPT to be made aware to monitor for any community tension. The encampment should be raised at Wednesday DMM if still in situ.

Inspector review	11/08/2021 14:01		#20000 TAYLOR, C.	No
	I visited the site this morning. No change. I fully agree with the previous assessment.			
	I noted Albert Bowers was setting up for garden services for the day. Due to recent intel and complaints about him I have put out a general social media post about rogue traders.			
Log entry:	It would appear HCC have now taken ownership as landowners.			
	Discussed at Test Valley DMM - District will monitor as a Tier 2.

Summary: An individual has set up his caravan in the industrial estate. Since he arrived he has been playing loud music, with significant increases in the volume last night around 1am. He has intermittently been screaming very loudly and his dog is repeatedly barking. I'm unsure if this is at passers by. The volume of his music, screaming and running generator/vehicle has kept us awake and is bothering the neighborhood.

When did the incident happen?: 16/08/2021

Where did the incident happen?: Romsey Industrial Estate.

Please provide us with your update: Continued noise from Gypsy camp for a week. Constant dog barking (sometimes in distress); constant generator noise; sometimes violent shouting; sometimes loud music late at night; dogs sometimes roaming free - one has come into our garden at 6.00 am. Bear in mind that they are relatively well-behaved gypsies but this place is not designed for people to live in and so close to us. So in the context this is anti-social behaviour. PLEASE ASK THE OWNER OF THE ESTATE

WHAT HE IS DOING TO MOVE THEM ON. He appears to be simply tolerating them - he is happy for them to use his water supply and his land as he is enabling this anti-social behaviour.

I have entered this on this crime number because it is still anti-social behaviour on the Industrial Estate and is the result of .... lack of security or land. As I have said before a barrier or gate could have prevented this.

No subsequent reports of ASB have been identified for this encampment, in relation to the group</p> <p>There are no houses in the vicinity and no community tension or impact has been noted. However, this needs to be monitored, as it was evening, however, attending officer and sergeant noted that those accessing / egressing nearby leisure facilities were unaware of the encampment as it was not overly visible from road track</p> <p>I reviewed this encampment from the point of view of ascertaining if there is sufficient reason to ask for authorisation to require the travellers to leave the site. At this stage the s61 triggers are not met</p>				

#### Information and Intelligence:

In reviewing this matter, I have considered the following issues:

i) Local amenities are deprived to communities or significant impact on the environment.

ii) There is local disruption to the economy.

iii) There is other significant disruption to the local community or environment.

iv) There is a danger to life.

v) There is a need to take preventative action.

Point (i) is not met at this time – the encampment are on District Council owned land well away from the track road in the bottom part of a field such that they are not visible to those accessing the sports pavilion / leisure facilities

Point (ii) is not met - This needs to be monitored should any incidents occur. At present there is no issues disclosed. The caravans/cars have spaced themselves at the furthest point of the field. At present due to time of night and weather this is not a disruption, this may change so will need to be monitored for community tension, however, the encampment is not visible from road/track

Point (iii) is not met - The encampment is on private land owned by District Council, it is not in public view and there are NO residential houses anywhere near. No access or travel routes are disrupted. At this stage no impact to environment noted at this time. No rubbish, excrement or other hazards.

Point (iv) is not met - no danger to life

Point (v) is not met - At this time of night, there is no need to take preventative action

The CMP states an anonymous caller witnessed the padlock damage

At this stage, the attending officers have ascertained that the land is owned by the district council who also attended and served notices of the group.

#### Assess Threat and Risk: Develop Working Strategy.

Risk to travellers – low – They engaged and were polite with police and district council officer. They stated they intended going to Appelbey fair so would not be there long. No welfare needs raised. Likewise their access to water or toilet facilities

Risk to residents – low – No residential premises anywhere near, as it is field near leisure facilities

Risk to local amenities – Low / Medium –. Potential disruption to those public accessing area, especially in daylight hours.

However, the group are on land well away from the track road. They are at the bottom part of a field such that they are not visible to those accessing the sports pavilion / leisure facilities

Risk to police – low/medium – At present no discernible adverse community impact, however, will need to be monitored. Also any loss of confidence in police relating to any action or inaction perceived

At this time the threat caused by this group is low - there has been no crime and disorder reported as a result of their habitation of this site (save for padlock damage, undoubtedly to seek entry). The risk posed is that anti-social behaviour is caused at the site. The district council who own this recreational land have served group a notice, they may fear disruption to use / enjoyment of location and the local community will be unhappy about the lack of action taken. This could result in a loss of public confidence of the police.

#### Evidence needs to continually collated in relation to s61

##### Working Strategy

- Minimise need to use police powers by encouraging landowner to seek legal recourse.
- Use police powers when assessed as being proportionate, lawful, appropriate and necessary
- Open and maintain dialogue with all communities involved.
- Monitor community tension.
- Maintain the confidence of our communities through good communication, explanation & balancing rights of all involved.

#### Powers and Policies:

Op Quebec is the current Hampshire Police operation to deal with this issue.

S61 Criminal Justice and Public Order Act 1994 relates to the issue of unlawful encampments on land by trespassers - this legislation provides police with powers to deal with this issue.

Human Rights Act 1998 to be considered with regards to all police actions.

#### Identify Options and Contingencies:

The first option is for police to do nothing further.

The second option is to allow the landowner to proceed with their eviction process and for police to monitor the site.

The third option is for police to issue a notice to the travellers on the site to quit after a reasonable period of time in line with S61 Criminal Justice and Public Order Act 1994.

Consideration needs to be given to where the travellers could end up and their current housing issues. We also need to consider where they will go to and the effect on the land they are currently at and the future land that they move to.

If they move to a new piece of land that is less suitable, then there will be a need for police and the landowner to discuss this issue all over again and consider the need to take further action.

#### OPTION 2 is selected as the best option to meet working strategy

##### Action and Review:

The group have not been asked to leave, the triggers for Sec 61 are NOT met the wider implications as specified in 'intelligence and information' section have been applied for my decision NOT to invoke s61

In any case, there are no reported incidents to-date. No crimes have been identified. The site is clean and tidy and there is limited environmental or community impact. Giving consideration to where the travellers may go if moved, I consider that the current position is best at this time.

I consider that sec 61 is not appropriate at this time. The group have caused no issues, the landowner is being contacted to seek their legal recourse of actions

#### At this stage I consider this to be a tier 2 encampment

The encampment should be raised at next DMM 13/08/21 to discuss progression, NPT to enable ongoing communication with group to check on site and ascertain any plans for moving

##### ACTION

- 1) Passing patrols - NPT & R&P to conduct daily visits to the site to reassure community and also secure any evidence of ASB, disruption and / or crime
- 2) Engage with group daytime 13/08/21 to see if they will engage further re their intentions and any welfare needs
- 3) Ensure HCC GLO follow up any welfare needs for group-
- 4) Raise at DMM for district ownership - for District Commander to monitor the situation and inform decision-making.
- 5) NPT - Gauge ongoing CIA and reassurance patrols (including contact with businesses)
- 6) Potential options for alternative site to be identified by HCC - Link with force GRT
- 7) NPT to establish intentions of the landowner (District Council) in relation to legal action steps
- 8) Mop / Info - From CMP was witness to damage - Cdi this offence - Will the witness provide statement? I note initial cmp log stated anonymous caller but mobile phone details could identify info't

Attended the site at 17:25 hours and spoken to some members of the encampment. They have stated that they have come from BASINGSTOKE to here as a stop over, and that their intention is to go to APPLEBY FAIR within the next couple of days. APPLEBY FAIR is approximately 6 hours' drive from here and in the wrong direction from BASINGSTOKE, it is unclear whether they were being truthful.

The members that are staying at the encampment have stated that no more people are going to be attending and the vehicles that have been listed already are to be the only ones at the site.

The location is clean and tidy, they have no issues with officers visiting the location. They have provided a name as 'CHARLIE' being the main point of contact however they were being very reluctant to provide their personal details or contact number for CHARLIE.

During our presence two chairman from the Parish Council have attended and hand delivered the eviction notice - DEADLINE 19/08/2021. Subjects have accepted this and have stated they are willing to leave within given time frame. At this time they have also set up an agreement with the council to bag their rubbish and leave it next to one of the park bins for the council to dispose of. The council were pleased with this arrangement.

Log entry: The land itself is owned by Hampshire County Council, leased to North Baddesley Parish Council.

C58 has been completed and added to the RMS as well as all the vehicles sighted.

This Op Quebec is suitable to sit with NPT to be managed during the day. WCC will need to be contacted at a more social hour to make them aware and so they can conduct a sight visit and start proceedings.

I have checked on the welfare of the sight and the male I spoke to stated they were all in order and didn't need anything. He also confirmed there was no pregnancies on sight. There were multiple children with the families and they were all ranging in age. Each child was seen by officers and their welfare was all in order with no concerns relating to their health or happiness.

R + P Lates Sergeant Review:

I attended the location and arrived slightly after PC AHMED and PC HORTON to ensure the initial enquiries had been completed and to review the site.

The encampment has been set up in a field opposite the North Baddesley Recreational Ground, Botley Road, accessed by a small track. Opposite the track in the Pavilion is a skate park, large playing field and child's play park. The vehicles and caravans were set up the opposite side of the field the furthest away they could be from the entrance gate. The field has a slight decline to it which means people in vehicles are unlikely to see them. Access to the field has been gained through a gate, the padlock and chain is still intact but the latch is damaged having been bent I presume to release the chain and gain access. The field is not overlooked by any commercial or residential properties.

At the time of police attendance the park was very busy, with children and family's playing as well as out doors sports classes being held. Numerous members of the public were going about there business and no one appeared concerned or distraught with there presence, no one approached us to speak to us about it during our time there.

Log entry: The group had been spoken to by PC HORTON and PC AHMED and whilst not willing to provide much specific details stated that they would be staying for a while before heading off to the Appleby Fair. This I think unrealistic when they state they have come down from Basingstoke which is in the complete opposite direction to the Fair and my understanding is the Fair is being run now. The site was clean and tidy, Parish Councillors had already attended and provided them with a notice to leave. The community on site had asked for refuse bags from the councillors so that they could contain there rubbish which makes sense.

Inspector has provided his review below and I have placed onto R + P Hedge End hand over document for onwards management.

Attended the site today and spoke with residents. They were unable to update on any leaving date. The site was very clean and tidy and the children were piling rubbish up in clear sacks. All residents spoken to were very polite and confirmed there were no welfare issues at present and they didn't need anything from Police.

Log entry: The caravans are still lined along the trees on the furthest side of the field and are not causing any issues to the members of the public. Whilst I was present the sports field and play park were very busy opposite and nobody approached me to discuss, only for the children to wave at a Police car.

Attended the site this evening in the company of PC 24154 BEALE. Everything appeared to be in order on the site, and all vehicles listed on the RMS were present, with the addition of two new vehicles:

Challenger Swift caravan displaying the VRM KT05 CBV. PNC checks show the caravan linked to a Red Kia Sorento with a registered owner Louise Metcalfe. The Kia Sorento was not present whilst police attended the site.

Log entry: Black Toyota Avensis displaying the VRM GU07 AYW. PNC checks return a registered owner Sechel Loan-Cristian.

Also present at the site was a scrambler-type motorbike without a number plate parked next to one of the caravans.

Site attended at 1900 hrs. All of the vehicles on the RMS were in situ. There were no new vehicles. From what I could see the rubbish was in bags and in piles and there appeared to be minimal damage to the field/cricket square due to tyre tracks.

I attended the location at 1214 hrs this afternoon, 5 caravans were on site. Washing was out, as were tables and gas canisters. There were no sign of the trespassers packing up and moving on.

I have called the number on the eviction notice, [REDACTED]. The telephone number is useless, it goes to an automated American accent saying the number can not be used!!!! I wish to chase the attendance of bailiffs and council representatives at the site.

I have spoken to the Parish Council [REDACTED]

[REDACTED] states that last time the parish had an issue with travellers, they attended court and were granted an eviction notice. The Travellers were then moved on by bailiffs at a cost of £5-6000 to the parish.

When they spoke with the Gypsy liaison department at Winchester, they were advised that the court process was rarely required and that serving a request to leave would work just as well.

[REDACTED] This was not ratified by court and [REDACTED]

Log entry: The travellers have not left. Representatives of the Parish spoke with them and were told that a child was ill so they had stayed, but hoped to leave later today (23/08/21).

The Parish will see what happens later before deciding on any action.

They report that they have not received any complaints about the travellers and that the site has been kept clean and tidy.

### Decision Making guide in relation to unauthorised encampment

APPLEBY FAIR within the next couple of days. APPLEBY FAIR is approximately 6 hours' drive from here and in the wrong direction from BASINGSTOKE, it is unclear whether they were being truthful. The members that are staying at the encampment have stated that no more people are going to be attending and the vehicles that have been listed already are to be the only ones at the site. Given their pleasantness, tidiness of the site and welfare it is believed that they shall stick by the notice provided to them by the parish council during police attendance.

Subject: Travellers at Former Cricket Field, Recreation Ground, North Baddesley

Hi Louise and Alex,

Just to let you know that travellers have today entered the former cricket field at the Recreation Ground, North Baddesley for the second time this summer.

Log entry: There are at least 8 caravans there on the last count and our Chairman will, this evening, be issuing them with a Notice to leave by 7pm next Friday 24th September.

Could you please ensure that the Police are aware, just in case of any disturbances.

Kind regards,

Enquiry log	17/09/2021 22:27	#22314 MANN, H.	No
Log entry:	P&N have attended this as a grade 1 to assist R&P. Details gained as per C58. Romsey P&N will not be on duty again until Monday so we will not be able to monitor or manage this over the weekend. To this end we will be placing the occurrence into R&P task box for monitoring over this time.		
Enquiry log	17/09/2021 22:59	#22314 MANN, H.	No
Log entry:	Details of vehicles have been added to the C58 as much as possible at this time. It was very dark at the time of our attendance so although all registrations were obtained, full details have not been added at this time. I have sent this list to CWUN to conduct PNC checks but at this time, they have not been able to be completed (and we do not have access). These will be added in due course when I receive these. Unknown whether the Irish plates are able to be searched for under PNC at this time.		
Inspector review	18/09/2021 00:29	#3747 FANCETT, M.	No
	I attended the encampment in person at about 2345hrs on 17/9/21.		
	I have reviewed this encampment from the point of view of ascertaining if there is sufficient reason to ask for authorisation to require the travellers to leave the site.		
Log entry:	I have used the National Decision Making Model to assist in my decision-making.		
	<b>Information and Intelligence:</b>		
	In reviewing this matter, I have considered the following issues:		
	i) Whether Local amenities are being deprived to communities or causing significant impact on the environment.		

- ii) There is local disruption to the economy.
- iii) There is other significant disruption to the local community or environment.
- iv) Whether there is a danger to life.
- v) There is a need to take preventative action.

Point (i) is not met at this time – this site is a field in a rural location. The field appears to be in use as an overfill car park for the circus on the field opposite. Having attended in the dark, and looked around, there did not appear to be any obvious general use for the field for specific purposes.

Point (ii) is not met – The field does not appear to have any community use.

Point (iii) is not met – The encampment have parked at the far end of the field away from the circus. This leaves ample space for overflow parking. There are no residential premises in the immediate vicinity and no disruption. There did not appear to be any environmental nuisance, such as waste at this time.

Point (iv) is not met – no danger to life.

Point (v) is not met – The encampment are placed in the far corner, and not causing any serious issues at this time.

Info – There are about 12 vehicles and 8 caravans in total.

I have not spoken to the group as no-one was evidently available at this time of night.

It is unknown how many children, elderly people or sick people are present.

The site was clean and tidy.

I have not asked about water supplies and toilet facilities.

I have not been able to discuss environmental issues, such as leaving rubbish, waste, fires etc.

No reports of ASB have been identified in relation to the group.

Some minor damage to a metal gate is reported.

There are no houses in the vicinity and no community tension or impact has been noted.

I have checked RMS for the two UK registered vehicles (NV16YXT and LO19ZBX) and both have no matches on RMS.

At this stage, it appears that the travellers have been asked to leave by the landowners (parish council) although not witnessed by police.

#### **Assess Threat and Risk: Develop Working Strategy.**

- Risk to travellers – low
- Risk to residents – low
- Risk to tasked police – low
- Risk to users of site – low

At this time the threat caused by this group is low - there has been no crime and disorder reported as a result of their habitation of this site.

#### **Working Strategy**

- Minimise need to use police powers by encouraging landowner to seek legal recourse.
- Use police powers when assessed as being proportionate, lawful, appropriate and necessary
- Open and maintain dialogue with all communities involved.
- Monitor community tension.
- Maintain the confidence of our communities through good communication, explanation & balancing rights of all involved.

#### **Powers and Policies:**

Op Quebec is the current Hampshire Police operation to deal with this issue.

S61 Criminal Justice and Public Order Act 1994 relates to the issue of unlawful encampments on land by trespassers - this legislation provides police with powers to deal with this issue.

Human Rights Act 1998 to be considered with regards to all police actions.

#### **Identify Options and Contingencies:**

The first option is for police to do nothing further.

The second option is to allow HCC / parish council to proceed with their eviction process and for police to monitor the site.

The third option is for police to issue a notice to the travellers on the site to quit after a reasonable period of time in line with S61 Criminal Justice and Public Order Act 1994.

Consideration needs to be given to where the travellers could end up and their current housing issues. We also need to consider where they will go to and the effect on the land they are currently at and the future land that they move to.

If they move to a new piece of land that is less suitable, then there will be a need for police and the landowner to discuss this issue all over again and consider the need to take further action.

#### **Action and Review:**

The group have been asked to leave and served some unknown paperwork.

There are no reported incidents to-date. No crimes have been identified. The site is clean and tidy and there is limited environmental or community impact. Giving consideration to where the travellers may go if moved, I consider that the current position is best at this time.

I consider that sec 61 is not appropriate at this time.

The group have caused no issues, so HCC/parish council should be updated to request the group to leave and invoke any legal proceedings. I would suggest this is completed with Police present to capture on BWV.

I consider this to be a tier 2 encampment at this time.

The encampment should be raised at next DMM to discuss progression.

NPT to enable communication with group to check on site and ascertain any plans for moving.  
R&P to assist with visits over the weekend and to try and engage with group to identify intentions.  
Vehicles need to be added to involved tab.

Enquiry log	18/09/2021 02:12	#24154 BEALE, S.	No	
Log entry:	The vehicle details (as per those on the C58) have been sent to C SATTAN 11723 in the force control room at 2203 hrs on the 17th. PC Mann was instructed to do so in order to gain PNC checks the results of which would be added to RMS as would the vehicles. Neither PC Mann or myself have been able to chase this due to a number of further grade one deployment. We are currently writing up other incidents and are several hours off late.

Log entry:	I have spoken with members of the traveller site with PC 28205 PARKER this morning. They were amicable to police attending and said that they were planning to move on in a couple of days, asking if there were any local areas for swimming that they could take their children. They said that the local authority drops off bin bags every morning and the members of the public have been polite and they've not had any issues. The site was clean and tidy and the bin bags were being used by members of the site. There were 9 vehicles at the site upon police attendance alongside 8 caravans. I have received today this email From: [REDACTED] Sent: 28 September 2021 10:48 To: Joita-Ciobanu, Alexandru-Horia (17939) <alexandru-horia.joita-ciobanu@hampshire.police.uk>; Subject: Travellers

Hi All,

The Travellers have gone. [REDACTED] has reported that there is a lot more mess this time – shopping trolleys and gas bottles left in the woods, things thrown up in the trees, human faeces and baby wipes everywhere. They have bagged up some of the rubbish and left the bags there. [REDACTED] will take some photos. The travellers have also been seen looking around the overflow car park and left the gate open. They have not left any rubbish there and Jim has closed the gate but they may have been scouting it out for the future.

Log entry: [REDACTED] has offered to make a start on the clean up operation today but will need help from one of his operatives.

I have told him to go ahead on health and safety grounds as we need it cleared up asap.

Regards,  
[REDACTED]

I will visit the site today and I will update with the state of the field after their departure I will notify the council about it.

I have attended today at North Baddesley Pavilion Grounds and the travellers are gone they left the area in a fair condition they left some rubbish in bags in the woods.

Log entry: The grounds person [REDACTED] is taking some action in cleaning the left rubbish.

The gate is closed and secure.

The Parish Council is aware of the situation and they are taking measures to restore the ground.

NPT SERGEANTS REVIEW

This has been monitored and managed appropriately. The travellers have now moved on and other than some rubbish the site appears in order. The council will facilitate a clean up operation and the status quo should be restored thereafter.

Log entry: No incidents of particular concern during their stay.

This can be filed.

**Decision Making guide in relation  
to unauthorised encampment**

Time:	20:57
Date:	17/09/2021
Location:	The North Baddesley parish recreation ground, old cricket pitch.

Number of Persons on Land:	Unknown, 4 youths seen. Others in their caravans and did not engage with attending officers at 21:30 hrs.
----------------------------	---

(include if 2 or more and intention is to reside on land)

Number of Vehicles:	13 Vehicles, approximately 8 of which are caravans.
---------------------	---

Conduct PNC checks of vehicles and list in the 'vehicles details' section at the end of this form.

Damage caused to gain entry (include details and any evidence of identity of offenders) or damage to land or property on it:
A metal bar was bent allowing a heights restriction bar to be opened without undoing the padlock and without damage to the padlock itself.

Name the Landowner:	HAMPSHIRE COUNTY COUNCIL - LEASED TO PARISH COUNCIL
type of land use:	Public

Has the landowner been contacted? What are the landowner's views? Request to leave made or permission to stay given?
The parish chairman has issued the trespassers with an eviction notice telling them to leave by the 24 <sup>th</sup> of September at 1900 hrs.

Have the trespassers used threatening/abusive/insulting words or behaviour to the occupier of the land or a member of his family or employee or agent
The trespassers were not seen entering the site and there have been no reports of any abuse.

Is the encampment in a dangerous/unsuitable position?(side of a busy road, hazards etc)
NO - All vehicle's are on the perimeter of the old cricket pitch at the far end away from the entrance and the recreation ground itself.

Other environmental issues (potential for disorder, interference with use of land/amenity).
There is a circus at the recreation ground and it is in situ until Sunday. It is extremely popular and the old cricket pitch is used as an overflow carpark. The arrival of these trespassers is likely to cause upset and concern to the circus visitors regards their vehicles. It might be possible for the council to offer bin bags etc.

Number of Persons on Land:	6 Adults - Number of children to be confirmed (possibly 6)
----------------------------	--

(include if 2 or more and intention is to reside on land)

Number of Vehicles:	5 Vehicles on site (likely to more as some occupants of site out) 4 Caravans
---------------------	--

Conduct PNC checks of vehicles and list in the 'vehicles details' section at the end of this form.

Damage caused to gain entry (include details and any evidence of identity of offenders) or damage to land or property on it:
Yes - Damage caused by angle grinding lock off (see picture) no known offender

Name the Landowner:	Test Valley Borough Council [REDACTED] (owns building)
type of land use:	Private

Has the landowner been contacted? What are the landowner's views?
Request to leave made or permission to stay given?
[REDACTED] has been contacted. She has requested for occupants to leave. Will be looking at getting solicitor involved tomorrow.

Have the trespassers used threatening/abusive/insulting words or behaviour to the occupier of the land or a member of his family or employee or agent
Not at this time

Is the encampment in a dangerous/unsuitable position?(side of a busy road, hazards etc)
No - in my opinion this is a very suitable location. The site is a disused business. Site is on an industrial estate with no residential properties nearby.

Other environmental issues (potential for disorder, interference with use of land/amenity).
Potential for non dwelling burglaries. Site is on an industrial estate.

07/09/2021 11:51:05	Incident Update	18251	<p>[REDACTED] reporting a vehicle possibly using cloned plates.</p> <p>Wilts Pol contacted him this morning regarding vehicles on cloned plates heading into Andover over the weekend matching the description of this vehicle. This silver Toyota has been seen parked in the travellers encampment in the Woolworth Estate, Andover. The plates do not match the description in PNC and the original vehicle has just been sighted in Thames Valley.</p> <p>Is there a marked unit who can do a check on the site and get a check on the vehicle as infit is unable to get close enough to check and confirm the details.</p>

Date:	21/10/21
Location:	Atlantic Zeiser LTD, Plot 53 Central Way, Andover, SP10 5AN

Number of Persons on Land:	5 adults - 6/7 children, possibly more
(include if 2 or more and intention is to reside on land)	

Number of Vehicles:	5 vehicles, 5 caravans, possibly more
Conduct PNC checks of vehicles and list in the 'vehicles details' section at the end of this form.	

Damage caused to gain entry (include details and any evidence of identity of offenders) or damage to land or property on it:
Nil

Name the Landowner:	Test Valley Borough Council [redacted] works for owners of building)
type of land use:	Private

Has the landowner been contacted? What are the landowner's views? Request to leave made or permission to stay given?
[redacted] reported to Police and was there on attendance. She has requested for occupants to leave and will be looking at getting solicitor involved tomorrow.

Have the trespassers used threatening/abusive/insulting words or behaviour to the occupier of the land or a member of his family or employee or agent
No - they were very polite and said they did not wish to cause any problems

Is the encampment in a dangerous/unsuitable position?(side of a busy road, hazards etc)
No - this is a very suitable location. The site is a disused business. Site is on an industrial estate with no residential properties nearby.

Other environmental issues (potential for disorder, interference with use of land/amenity).
Possible NDB as site is on an industrial site

27/10/2021 16:49:31	Incident Update	23504	EE119 - I have updated the Hedge End R&P Sgt, please could he be contacted once the attending officer updates RMS. Please could ensure PS Smith (Romsey) is aware for ongoing engagement and to ensure it features on the TV DMM. At this time it remains TIER 1 but will likely become TIER 2. The grounds to invoke a S.61 will be dependant on whether they work with the land owner to minimise impact on the facility. they listened to my concerns at the previous site due to the damage they were causing to the play area (movement of vehicles) and they responded well to direct communication. 27/10/2021 17:28:46	Incident Update	18281	The Archery club leasing the land from Trojans are trying to get hold of Security . They are going to get the fencing secured . Council are going to get bins there . All travelers are together in group and have told them what is expected . They have had their first and last warning . We will not tolerate this behavior and if anything goes missing we will search every caravan . We will stay on scene for the time being while they clear up . The encampment will be here until Halloween. So by Monday should be gone.

### Decision Making guide in relation to unauthorised encampment

Time:	13:05 & 16:05
Date:	27/10/2021
Location:	Site 1 - Blackberry Drive, Fair Oak. Site 2 (Current) - Hardmoor Sports Ground on Stoneham Lane

Number of Persons on Land:	6-8 Adults, 8-10 Kids
----------------------------	-----------------------

(include if 2 or more and intention is to reside on land)

Number of Vehicles:	6 Caravans, 4 cars, 2 Vans
---------------------	----------------------------

Conduct PNC checks of vehicles and list in the 'vehicles details' section at the end of this form.

Damage caused to gain entry (include details and any evidence of identity of offenders) or damage to land or property on it:
<p><b>First Encampment Location (Site1):</b> A group of 6 caravans and towing vehicles belonging to the QUILLIGAN Family have arrived on Blackberry Drive open area in Fair Oak and gained access to the field by removal of an insecure bollard that blocks the footpath in the South West corner of the area. The last vehicle, a red Toyota Hiace van towing a twin axel Tabbert caravan has become beached across the drainage ditch / vehicle mitigation earth works. The other vans have successfully been towed clear by one driver with a Landrover Discovery and all bar the Landrover have then become bogged down in the field causing track marks and churned up the grass.</p> <p><b>Current Encampment Location (Site2):</b> Within an hour they have arrived at Hardmoor Sports Ground on Stoneham Lane. Access here was gained by simply driving through the open security gates that had been left open by contractors and usually has a height bar to further restrict access however this was also left open in error. No force or damage has been caused to gain access.</p>

Name the Landowner:	Site 1 - Eastleigh Borough Council & Fair Oak Parish Council Site 2 - . This site is owned by Eastleigh Borough Council having been part of a Section 106 deal with The University Of Southampton in relation to the development of North Stoneham Estate. The land lies within the jurisdiction of Test Valley Borough Council and is leased by Trojans from Eastleigh borough Council. The part of the land that the Travellers currently occupy is then sub leased to Eastleigh and District Archery Club by Trojans
type of land use:	Public

## Decision Making guide in relation to unauthorised encampment

On Saturday 31/10/2021, event at The Archery Club, 250 estimated attendance.

On Sunday 30/10/2021, there is a scheduled Trojan Rugby match with approximately 2,000 fans expected to be attending. This could cause tension and friction between the parties, potential leading to racially aggravated public order issues.

03/03/2022 20:02:11	Incident Update	3170	<p>From the review of the two reports it appears that the officers who engaged with the group and were believed to have items thrown we attempting to recover a stolen vehicle. There is a review from the FIM that the group prepared to throw items not actually thrown items. Throughout both logs it appears that the presences of the police has aggravated the groups who today said that if followed they would block the road and cause issues, which they did.</p> <p>In general today the group were good natured and followed directions from the police.</p> <p>Last night they appeared to commit minor offences of ASB and theft because police were nearby and did not have the numbers to actually deal with them.</p> <p>Above update received from TVP. Group do not appear to have shown hostility to Hants officers at this time.</p> <p>If group settle at location. R&amp;P Insp to attend</p>

----------------------------	-------

(include if 2 or more and intention is to reside on land)

Number of Vehicles:	13 cars with 9 caravans in tow.
---------------------	---------------------------------

Conduct PNC checks of vehicles and list in the 'vehicles details' section at the end of this form.

Damage caused to gain entry (include details and any evidence of identity of offenders) or damage to land or property on it:
No damage caused to gain entry onto the site. At the time of their arrival, the car park was open for SGH staff members and remained open daily until approx 2200hrs.

Name the Landowner:	University Hospital Southampton
type of land use:	Private

Has the landowner been contacted? What are the landowner's views? Request to leave made or permission to stay given?
Landowner was present at the time of police presence, details as follows;  [REDACTED] Associate director of estates and facilities  [REDACTED] requested the convoy to leave the site. The first male he has spoken too did not respond. The next two males that were spoken too have said to give them a day or two and they will be leaving. This was recorded on BWV by myself and PC POTHECARY.

Have the trespassers used threatening/abusive/insulting words or behaviour to the occupier of the land or a member of his family or employee or agent
Not at this time.

Is the encampment in a dangerous/unsuitable position?(side of a busy road, hazards etc)
No, encampment is in an industrial estate.

Other environmental issues (potential for disorder, interference with use of land/amenity).
The site is used by University Southampton Hospital for staff as a Park & Ride facility for staff members to park. The site is also used as a COVID-19 testing site for patients to visit prior to attending the hospital for operations. Mr [REDACTED] confirmed the car park is used daily by up to 500 staff members and as a result of their presence on the site, multiple spaces will

## Decision Making guide in relation to unauthorised encampment

Where were the group before they moved here?	The group were moved on from the Thames Valley area today, we were told it was from OXFORDSHIRE.

Any other factors which may influence decision making process  
(see Op Quebec intranet pages for Human Rights information)

N/A

Are Police Powers going to be used?

*If yes, please record basis for decision.*

(Statement landowner, consider statements from local community in terms of impact, EGT of site, contact public order TA)

Not at this time.

If no, please record basis for decision

(consider communicating with trespassers expected standards of behaviour, community reassurance to advise of Police actions, schedule of patrols on site, amenities from local authority – skips etc)

At this time, police powers were not used. Advice given to landowner that should they be concerned by anything, or to report any damage or disorder, then to contact 999. Advice also given to Holiday Inn and also Walnut Tree Farm public house as per the above. Regular patrols to be conducted to the site.

<p>This statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it, anything which I know to be false, or do not believe to be true.</p> <p>To find out more about how Hampshire Constabulary uses your personal data and how to exercise your data rights, see our privacy notice at <a href="https://www.hampshire.police.uk/hyg/fpnhc/privacy-notice/">https://www.hampshire.police.uk/hyg/fpnhc/privacy-notice/</a> or request a copy by calling 101.</p>			

I am Police Constable 27960 Raj Sohal of Hampshire Constabulary, I am currently attached to Drug Related Harm team 'Operation THEMIS' in BASINGSTOKE, HAMPSHIRE.

On 03/03/2022 I was travelling southbound on the M3 between junction 9 and Junction 11, when at 17:28 hours I witnessed a group of approximately 20-30 caravans attached to numerous vehicles travelling in lanes 1-3 appearing to be in a convoy on the southbound carriageway.

The following Vehicles were towing caravans with index's displayed on the vehicles, but not the rear of the caravans that they were hitched to. CT04VEG appearing as a white Mercedes sprinter van, NA63XDN Appearing as a White Ford Transit, DK66VXD A Volkswagen in grey, CF60FBV (unrecalable make and model) and DK66VXD a FORD in Grey. Within the convoy of vehicles, a white FORD TRANSIT van showing an index of FP09MTU was sighted being driven by an IC1 male who appeared to be approximately 12 – 14 years old. This vehicle was towing a large caravan.

At 17:50 hours a grey BMW X5 was sighted showing an index of GK13OJA which appeared to be part of the convoy. The vehicle approached a set of lights on the junction of BARANRD STREET and queens way Southampton before having driven on the wrong side of the road to pass traffic on the correct side, driving in the direction of BERNARD STREET. The vehicle was being driven by an IC1 female with what appeared to be Blonde hair. The subject vehicle proceeded to drive through a red traffic signal on the four way junction, driving onto BERNARD STREET. The red traffic signal presented red for around a minute prior to being driven through.

Due to wearing covert rig with limited PPE, my Body Worn Video was not to hand and no visual evidence of this was captured during my attendance. The vehicles listed above were sighted in clear daylight conditions with no obstructions in visibility. The weather was dry and the conditions were adequate for reading visible road signs on a national speed limit highway in accordance with the highway code. The vehicles were observed from a distance of around 10 – 20 feet when identifying index's and occupants within the subject vehicles.

I can confirm that the above account is true to the best of my knowledge.

**MG11 WITNESS STATEMENT**

Occurrence Number:	44220090470	URN:	
Statement of:	TUDGE, AIDAN		
Age:		Occupation:	
<p>This statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it, anything which I know to be false, or do not believe to be true.</p> <p>To find out more about how Hampshire Constabulary uses your personal data and how to exercise your data rights, see our privacy notice at <a href="https://www.hampshire.police.uk/hyg/fpnhc/privacy-notice/">https://www.hampshire.police.uk/hyg/fpnhc/privacy-notice/</a> or request a copy by calling 101.</p>			

I am PC 27832 TUDGE based at Basingstoke Police Station and I am making this statement in relation to an arrest I effected.

On Sunday the 6th of March 2022 I was deployed as a Level 2 Public order officer wearing full kit, a high vis tabard and carrying a long baton in the call sign/serial HC01C. We were deployed as part of operation "Visible" serving a section 61 of the criminal justice and public order act notification to an unauthorised encampment at the Southampton University Hospital Park and Ride car park in Southampton Hampshire.

PC LEWIS 27806 and I approached a large white and grey caravan with "exquisite" written on the side, I knocked on the door in order to serve the notice but as I was wearing my level 2 public order gauntlets the knock was very soft. In order to give a slightly harder knock I grabbed near to the end of my long baton still on my belt and knocked on the door with it. The occupants of the caravan then opened the window and PC LEWIS served the notice on the male through the window audibly. The occupants of the caravan then noticed that there were some dents on the door of the van and accused me of causing the dents and were frustrated. I am not sure if I caused the dents with my baton, I believe they were too high and I didn't use enough force to cause them but I assured the occupants if I had then it would be recorded on my or PC LEWIS's BWV camera and gave them my collar number and last name.

A short while later I could see that officers were looking at a trailer on the back of a grey Ford Focus, after checking systems – I believe the police national database, the officers identified that the trailer was stolen. The male in question started to become verbally aggressive to officers and then called the children over to sit on top of the trailer to prevent it being taken. Then male then started to walk away from officers and towards me, an Inspector then shouted towards me saying "arrest that man". I therefore took hold of the male and told him he was under arrest at 10:32 hours, another officer came over and advised me he would be under arrest for theft, and I stated he was under arrest for theft and then cautioned him. At the time it was not practicable to give the necessities for the arrest as we were holding onto the male whilst other members of the encampment were trying to get to his property and interfere in the arrest, the male was also being aggressive.

The stolen trailer was recovered by a recovery truck from Ravenscroft.

I then passed the male over to the arrest van and the officers and gave the necessities as Prompt and effective investigation and prevent loss of property as the male would potentially drive away with the stolen trailer in tow. I was then informed the male was called James BOSWELL and he was taken by the arrest van to Southampton Custody.

03/05/2022 15:45:59	Incident Update	13713	Oscar2 - Please initiate AP0126 - Op Quebec
03/05/2022 15:53:39	Incident Update	18223	c1 - as per osc2, checked the action plan. All points covered so far. Next steps is FIM aware for us and then R&P insp to attend once ratified with silver.

03/05/2022 17:35:19	Incident Update	18276	C1 - P2P RECEIVED FROM 28398 - SHE STATES SHE SPOKE TO A SGT (U/K WHO) WHO TOLD HER SHE HAD TO COMPLETE A FORM. SHE DOES NOT KNOW WHAT THIS FORM IS. FROM AP126 THIS IS LIKELY TO BE THE C58 FORM BUT THIS STATES IT IS TO BE COMPLETED BY A DEPLOYED R&P INSP.
03/05/2022 17:41:31	Incident Update	18276	C1 - Have advised EE104 that AP126 makes no reference for her to complete any form but there is reference to R&P Insp being deployed to scene for completion of the C58. I have told her to standby until we have further guidance from Osc2/FIM.
03/05/2022 17:52:49	Incident Update	18276	EE104 - I WAS ASKED TO ATTEND THIS EARLIER TO DO CHECKS ON VEHS, WELFARE CHECKS ETC. LIAISED WITH COUNCIL AND I HAVE JUST SPOKEN TO R&P SGT. \
03/05/2022 18:00:31	Incident Update	18276	EE104 - I am going to put a detailed OEL on the RMS about what I have seen and the full details. Do you want me to do the C58 as I am being asked to do this by R&P Sgt.  C1 - From AP126, which is all we can follow ATT, it states it is for R&P Insp to attend scene, conduct an assessment, and complete C58. EE104 is going to complete the OEL and then St11. We will advise R&P Insp accordingly when FIM/Osc2 is aware.
03/05/2022 18:22:30	Incident Update		Closing Incident Type: Unauthorised Encampment
03/05/2022 18:39:49	Supervisory Review	1236	I have spoken to attending officer. They will need to commence the C58 form as the deployed unit/ officer. It is the start of the decision making guide process. The Duty Insp will not be the one who commences this. R&P will look to make a follow up visit later where possible.

### Decision Making guide in relation to unauthorised encampment

Time:	0005
Date:	17/05/2022
Location:	Nursling Street Junction Cranmer Drive Nursling

Number of Persons on Land:	Approx 25
----------------------------	-----------

(include if 2 or more and intention is to reside on land)

Number of Vehicles:	10 Caravans , 13 cars - Told no more arriving 17/05/2022 08:32
---------------------	---

Conduct PNC checks of vehicles and list in the 'vehicles details' section at the end of this form.

Damage caused to gain entry (include details and any evidence of identity of offenders) or damage to land or property on it:
No damage , no fencing , driven off the road onto grass area leading into a park. Minor tyre tracks on grass.

Name the Landowner:	Nursling & Rownhams Parish Council
type of land use:	Council

Has the landowner been contacted? What are the landowner's views? Request to leave made or permission to stay given?
██████████ called on ██████████ at time of attendance. Went to VM and no reply at time of writing this.

Have the trespassers used threatening/abusive/insulting words or behaviour to the occupier of the land or a member of his family or employee or agent
Nothing reported, Landowner not believe to have attended.

Is the encampment in a dangerous/unsuitable position?(side of a busy road, hazards etc)
No on a grassed area between houses

Other environmental issues (potential for disorder, interference with use of land/amenity).
The site has been established on an open grass area accessed direct from the road. On one side it backs on to residential properties, bordered by trees and screened from view. There are over 25 vehicles on the site and more arriving. Reports have been made so far of dirt bikes being ridden across the field. Likely that the number of vehicles will prevent use of the field.

20/05/2022 22:08:21	Strategy	24184	ZNI3E -There is a High Court Injunction in force which covers most of Andover and Basingstoke. It gives Police powers to seize any travellers vehicles without any further notice or procedure. I will forward a copy to local PS. I suggest we visit the visitors and advise them of this. The reality is that if they chose to stay it is very unlikely we will try to seize any vehicles, or move them this evening. However we have the powers to seize anything at any time, so they are likely to be moved tomorrow morning when we are less busy. For your info. 24184

**Decision Making guide in relation  
to unauthorised encampment**

Time:	22:00
Date:	21/05/2022
Location:	Athletics Track, Sports Academy, West Portway, Andover

Number of Persons on Land:	Around 30
----------------------------	-----------

(include if 2 or more and intention is to reside on land)

Number of Vehicles:	8 caravans with around 15 other vehicles. Many vehicles were leaving and returning during visit, so a precise count was difficult, but confirmed details are listed below. There were originally around double this number, but half left the site after police arrival, stating an intention to travel to Newbury.
---------------------	---

Conduct PNC checks of vehicles and list in the 'vehicles details' section at the end of this form.

Damage caused to gain entry (include details and any evidence of identity of offenders) or damage to land or property on it:
No damage caused - have driven through still open gates.

Name the Landowner:	Test Valley Borough Council
type of land use:	Council

Has the landowner been contacted? What are the landowner's views? Request to leave made or permission to stay given?
There was a groundskeeper present at the time of arrival, and a supervisor arrived shortly after. No permission has been given for them to remain on the land. The staff could not make a full decision for the council, but centre management staff would like persons to leave site as it is an athletics track prepared for many uses over the weekend.

Have the trespassers used threatening/abusive/insulting words or behaviour to the occupier of the land or a member of his family or employee or agent
None

Is the encampment in a dangerous/unsuitable position?(side of a busy road, hazards etc)
No hazards.

Other environmental issues (potential for disorder, interference with use of land/amenity).
The land is an athletics centre that is prepared for competition throughout the weekend. Significant disruption will be caused to the users of the site by this encampment, as no planned activities will be able to take place.

Can we also ascertain how many guests the hotel are expecting over the next few days as whilst there is no current disruption, there is a risk of future disruption. That hotel tends to get busy in the week with contractors staying on site. Has the landowner given them a direction to leave? This needs to be done before we can exercise any powers IF we take that option

Location:	NURSLING & ROWNHAMS VILLAGE HALL, JOE BIGWOOD CLOSE, NURSLING, SOUTHAMPTON, SO16 0YL

Number of Persons on Land:	Around 20-30 adult and children
----------------------------	---------------------------------

(include if 2 or more and intention is to reside on land)

Number of Vehicles:	There is 8 vehicles and 7 caravans.
---------------------	-------------------------------------

Conduct PNC checks of vehicles and list in the 'vehicles details' section at the end of this form.

Damage caused to gain entry (include details and any evidence of identity of offenders) or damage to land or property on it:
Person reporting suggested they could hear a disc cutter potentially cutting a lock away from the gate. There was no evidence of this when police attended.

Name the Landowner:	Test Valley Borough Council
type of land use:	Council

Has the landowner been contacted? What are the landowner's views?
Request to leave made or permission to stay given?
The council need to be contacted in the morning in order to issue T61

Have the trespassers used threatening/abusive/insulting words or behaviour to the occupier of the land or a member of his family or employee or agent
The initial person reporting has stated that he was told to "FUCK OFF" when he asked for them to move away from his back gate.

Is the encampment in a dangerous/unsuitable position?(side of a busy road, hazards etc)
The encampment have situated themselves on the outskirts of the field and away from the back of the houses on the other side of the field.

Other environmental issues (potential for disorder, interference with use of land/amenity).
They appeared to be respectful and said they would clear up after themselves before leaving, so should not cause many issues in regards to this.

Call Summary: Inft is one of the staff members who works for the sport site.

Inft came into work at 14:00 where she checked all the access gates when they headed to the office. Male approached them and said "Hiya love, hiya this become a caravan site now?" as she witnessed a number of cars an caravans coming in to the site from cricket pitch 1.

Since then around 50 caravans have now arrived at the site,

Since they have arrived at the site the large around 200 people have stolen a bunch of javelins around xft and began throwing them luckily no one was around at the time but the inft stated people can still access the site. They have also broken the PA system that they have there and also destroyed the public toilets and are now leaving urine and faeces around the site.

The inft was advised by her manager to lock the gate but when attempting to do this a large group of men approached her and shouted "You cant do that" One of the men took hold of the lock and then forced the gate into the inft pushing her back. In which time a large car came racing in at speed and the inft thought she was going to be run over. The group of males then began shouting at her calling her a "Paedophile" and a "Cunt" They also said that if she calls police then they would ruin the site and they can't do anything anymore as they have taken over.

The inft believes that they have a large number of gas canisters and have also broken into the sloops.

The site was shut down at 16:30 for health and safety and await the removal of the group

I will also make a second incident of assault as well showing to the app'd

## Decision Making guide in relation to unauthorised encampment

Time:	15:00
Date:	15/07/2022
Location:	Southampton Sports Centre

Number of Persons on Land:	Approx 45, although more trailers were arriving whilst police present
----------------------------	---

(include if 2 or more and intention is to reside on land)

Number of Vehicles:	20-30
---------------------	-------

Conduct PNC checks of vehicles and list in the 'vehicles details' section at the end of this form.

Damage caused to gain entry (include details and any evidence of identity of offenders) or damage to land or property on it:
--

Entry via locked gate. Damage to padlock according to witness although limited corroborating evidence eg CCTV/ other witnesses on initial attendance

Name the Landowner:	SCC
type of land use:	Council

Has the landowner been contacted? What are the landowner's views? Request to leave made or permission to stay given? SCC made aware via phone call and follow up email.
---

Have the trespassers used threatening/abusive/insulting words or behaviour to the occupier of the land or a member of his family or employee or agent No at this time
--

Is the encampment in a dangerous/unsuitable position?(side of a busy road, hazards etc) No
---

Other environmental issues (potential for disorder, interference with use of land/amenity). Historically Police has seen an increase in ASB and offences have been committed relating to or suspected to be linked to members of the encampment, ie public order incidents / thefts, however at this time no offences have been disclosed.  A number of local residents have either contacted 101 or approached Officer and expressed their concerns/frustrations. There is a possibility for an increase in community tensions.  Interference with land- this is an 'Active Nation' site, and the field is used for a range of different sports. The field currently being used appears to be more wild land, however this is encroaching onto the sports centre itself which is

used for local sports days, outdoor sports, and acts as another paid venue.

Details of Local Authority

Southampton City Council

Point of contact within Local Authority

[REDACTED]

Have HCC Gypsy and Traveller Liaison Officers been contacted?

[REDACTED]

Not at this time

Has a welfare assessment been made by Local Authority? No

Number of children on site, include ages: Approx 15-20 children aged between 3-18.

Number of persons with welfare needs include names and details (*e.g. pregnant, elderly, infirm*)

None known

What is the intention of the group  
(Proposed duration of stay)?

Proposed  
duration of  
stay is a  
couple of  
days.

Where were the group before they moved here?

Linked to Nursling (related occurrence). I believe a S61 was utilised using a L2 serial- shortly afterwards this encampment has been called in. A number of the VRMs passed, are linked to the other Nursling occurrence.

**Force Silver must be advised, if the criteria is met for an unauthorised encampment.** (See Appendix D of Quebec Management Process guidance document on the intranet for full details.)

## Decision Making guide in relation to unauthorised encampment

Are Police Powers going to be used?

*If yes, please record basis for decision.*

(Statement landowner, consider statements from local community in terms of impact, EGT of site, contact public order TA)

No

If no, please record basis for decision

(consider communicating with trespassers expected standards of behaviour, community reassurance to advise of Police actions, schedule of patrols on site, amenities from local authority – skips etc)

Based on the available information, I do not believe the use of Police Powers is proportionate at this time, even if we had consent of the landowner. I have consulted the duty sergeant and contacted the duty Inspector. Should the number of trailers grow, and/or the prevalence of crime and disorder increased then a S61 may be considered after SCC have issued relevant documentation.

ZWI3A - This has been raised at GRIP and L2 resourcing is being arranged through RMT with a view to mobilising assets to enforce the SoS1. No eta at this time. PS CHALLIS still in attendance and will remain to monitor the site whilst mobilisation is in progress. I have considered putting further R&P resources on standby but until the L2 resources have been identified then no point as likely to come from R&P. TPS Baines aware.

 Summary: Inft states there is an encampment on the recreation ground that police are aware of. She has just walked down the pathway running alongside Nursling School that runs between Nursling Street and Watley Close and has come across what she believes to be human excrement. It is on the pathway at the Watley Close end of the pathway. Inft is angry because there will be children using the path to get to school in an hour or so. I have advised her that I will file this for the attention of local officers and will let the Council know. She is happy to be contacted.

## YOUR ENQUIRY

If you have already contacted the police regarding this enquiry and have a reference number, please enter it here: not given

If you want to contact a specific officer, please provide a name or shoulder/warrant number: not given

If your enquiry relates to a specific location, please provide it below. This will help us direct your enquiry to the most appropriate team: sp118ul

Please provide as much detail as you can. It's useful to include any relevant reference numbers, names of staff, relevant department and so on.: Four days ago at Picket Twenty Urban Park, Andover, 12 traveler caravans unlawfully pitched up. I called 101 and after 38 minutes gave up, I again called and again after 30 odd minutes gave up. I saw a local patrol (nice to see them out and about), flagged them down and explained what I had seen. I was told that they were aware. As stated this was four days ago, apart from them driving on foot paths, ignoring members of the public walking in the area, leaving rubbish lying around and being abusive when approached nothing appear to have been done about them. I have again called tonight, 26.07.2022 on 101 and left information and a request with an update. I am slightly disappointed that the powers given to police under the Criminal Justice Act 1994, ie. sections 61 to 69, have not been invoked. The longer the travellers remain the higher the cost to the local community; our council tax. I look forward to your reply

| 20/07/2022 10:48:49 RMS Entry       | 12130 | <p>Agg'd is reporting that a car has reversed into his car and then been racially abusive to him.</p> <p>States that he was parked outside Kwik Fit having his tyres checked when a car reversed out of one of the parking bays and slammed into the back of his car. Agg'd states that he and the Kwik Fit employee had to jump out of the way. Agg'd states they shouted at the 3 males inside the vehicle. All 3 looked round and shouted at agg'd "you fucking paki I'll smash your face in" and then pulled off at speed driving erratically towards the roundabout and other vehicles.</p> <p>Agg'd does not have any dash cam and Kwik Fit have confirmed that they did not have any CCTV cameras but he does have one witness.</p> <p>Agg'd states he is devastated as he has saved for three years for his dream car and now it has been badly damaged. When asked about how he felt about what was said to him. Stated that he has put up with it all his life.</p> <p>Agg'd has been advised that this report will be passed to Neighbourhood team who will make contact.</p> <p>The other vehicle details – VRN – W248VDW – Toyota land cruiser – dark green – 3 males inside of the vehicle all Irish accent.</p> |

### Occurrence details:

Report no.: 44220305068  
 Occurrence Type: Shoplifting  
 Occurrence time: 28/07/2022 16:20 - 28/07/2022 16:40  
 Reported time: 29/07/2022 10:02  
 Occurrence address: THE COMMERCIAL CENTRE, WALWORTH ROAD, # UNIT 103 AND SUITE 206, PICKET PIECE, HAMPSHIRE UK SP11 6RU (OJ'S FISHING TACKLE & BAIT) (District: 11 TEST VALLEY, Sector: TA TEST VALLEY NORTH, N'hood: 11TA01 ANDOVER TOWN, Beat: 11TA0103 ST MARYS)  
 Clearance status: Filed  
 Concluded: Yes  
 Concluded date: 30/07/2022  
 Summary: A large group of Irish Travellers of around 6-8 men plus a child of around 6 years old, came into our shop and started to help themselves to the rods on the racks, whilst one had asked for some bait, which I was getting for him. Several times I took rods off of the child, but in the mean time the others were taking rods out of the stands, They were using distraction tactics with the child. One man came to the counter with a rod and reel to pay for the items, but he had peeled off the price ticket. I looked up the price and totalled the correct amount, which he questioned, but he did pay. This is when we noticed several rods missing, so my brother went out of the shop to find them. He did question a man in a vehicle, where he could see one of the rods and did manage to get it back, however, as we questioned where the other missing items were, the man I was dealing with became very aggressive and he was supported by another man. At this point I gave him his rod and they left. We do have this captured on our CCTV, which clearly shows what they were all doing and what they walked away with. Several times I took rods off of the child, but in the mean time the others were taking rods out of the stands. They were using distraction tactics with the child. One man came to the counter with a rod and real to pay for the items, but he had peeled off the price ticket. I looked up the price and totalled the correct amount, which he questioned, but he did pay. This is when we noticed several rods missing, so my brother went out of the shop to find them. He did question a man in a vehicle, where he could see one of the rods and did manage to get it back, however, as we questioned where the other missing items were, the man I was dealing with became very aggressive and he was supported by another man. ## Occurrence details:

Report no.: 44220305046  
 Occurrence Type: Theft  
 Occurrence time: 28/07/2022 23:00 - 28/07/2022 23:30  
 Reported time: 29/07/2022 09:44  
 Occurrence address: ANDOVER PATIO CENTRE, WALWORTH ROAD, PICKET PIECE, HAMPSHIRE  
 UK SP11 6LU (District: 11 TEST VALLEY, Sector: TA TEST VALLEY NORTH,  
 N'hood: 11TA01 ANDOVER TOWN, Beat: 11TA0103 ST MARYS)  
 Clearance status: Filed  
 Concluded: Yes  
 Concluded date: 29/07/2022  
 Summary: At 2303 it appears that a white transit van (Mini bus style) which is linked to the  
 travellers which are camped near by at the moment have come on to site and  
 have stolen fuel from the site. Around £600 worth of fuel was stolen. The site is on  
 an industrial estate. They have forced the gate and have driven in the van. No  
 VRN was obtained. Inft thinks they were the Irish travellers as the plates show  
 nothing but white due to the Irish plates reflecting the light. They have then loaded  
 the van up with the fuel in containers. There were three males, they were all  
 covered up with hoodies and face masks so descriptions are not possible. No  
 witnesses Suspects unknown No CCTV of use Not DOT Nothing left behind  
 Nothing for forensics

| 29/07/2022 06:37:07 | RMS Entry       | 18056           | 2 females walk into the store and quickly walked up, through the middle, to aisle 5 (soft drinks and alcohol). Watched them the entire time. They had a bottle of fizzy orange, walked to the top of aisle 5, quickly across the tops of the aisles to the fire exit and I saw them trying to hide behind the chiller in an attempt to conceal the drink, stopped when they saw me. Jess had the typical large black handbag and I believe they planned on stealing that and possibly a bottle of spirits had we not been so vigilant. Scarlett was definitely drunk, unsure whether or not Jess was. |

## MG11 WITNESS STATEMENT

| Occurrence Number: | 44220301137 | URN:        |  |
| Statement of:      |             |             |  |
| Age if under 18:   | (over 18)   | Occupation: |  |

This statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it, anything which I know to be false, or do not believe to be true.

Restorative Justice (RJ) enables communication between parties involved in a crime, and provides an opportunity for victims to explain the impact of the offence and to ask questions of the offender. I understand I may be contacted by the service provider for further information to be given.

I am [REDACTED] and I am making this statement in relation to a racially aggravated public order incident towards myself and my children. This happened on Tuesday 26th of July 2022 at around 1700 hours.

In my statement I will talk about my children who are Michael, [REDACTED] and I will use their first name throughout the statement. I do not know the group of youth who were offensive to myself and my children, they all looked the same and they were all involved so I will refer to them as the GROUP OF CHILDEN.

The incident happened at URBAN PARK PLAYGROUND which is to the left of PICKET TWENTY SPORTS GROUND main building which is at the end of TELEGRAPH ROAD, ANDOVER. This playground is situated in a large playing field used by the sports centre and the park itself has a small structure with a slide which is a tube, the incident happened next to the side.

Myself and my 4 children along with 2 family friends' children who were with us walked to the park to enjoy the area provided. We left from our family home at approximately 1550 hours. This is short walk and when we got to the park all the children went off into the park to play and I sat on the field just outside of the park but it was in my view. When we arrived there a group of children already in the park and these were the children who were abusive, they are the GROUP OF CHILDREN. Within the GROUP OF CHILDREN there were about 5 of them. Everything seemed ok and after about 20 minutes [REDACTED] came over to me along with another child I was looking after and he crying. [REDACTED] said that one of the GROUP OF CHILDREN has kicked in the head whilst in the slide. I did not see this as it is a tube slide and can't not see in. Because of this I went into the park to speak to THE GROUP OF CHILDREN to see if they would say sorry. I asked them if anyone has hit them but they denied it before one of them stated he didn't do deliberately. I asked him to say sorry but he refused and he called me a BLACK MONKEY which I believe was directed at all of us. I believe this is because of my ethnicity in which I am Black African. When I got called this I felt bad and I nearly cried because of it. I did not want to be called this and it is not a very nice thing to be called. I ignored it and all of THE GROUP OF CHILDREN walked off to the top of the slide in which two were from the top facing us. We were close and we had to move backwards. A couple of people I do not know came up to us to see if we were ok and offered to walk us home. I stated we were ok and I walked the children home, as we started to walk away THE GROUP OF CHILDREN continue to shout in our direction however I do not know what they were saying. I got home at around 1730 hours.

I cannot describe the children involved individual as they appeared very similar and I cannot be for sure who made these comments. But I describe THE GROUP OF CHILDREN they were all white and they were all male. They were between 7 – 10 years old and they were not were not that tall. They had similar hair styles which were not long in length which was a light brown hair. Most of the group didn't have t shirts on and I cannot remember anything

else about them apart from they had an accent which I do not know where it was from.

This incident lasted less than 30 minutes, the distance varied from about 1 meter to walking out of sight. It was daylight and it was overcast, when I was speaking to THE GROUP OF CHILDREN there was no obstructions to my view. They are not known to me and I'm not sure if I can recognise them again.

| 26/07/2022 16:48:28 | RMS Entry       | 16795 | <p>INFT calling to report her that 11 year old son [REDACTED] had his scooter and black and red football stolen by 5-6 boys aged 10-11 at the Urban Park next to the traveller site at Picket Twenty.</p> <p>[REDACTED] has advised that a group of kids came up to him and his friend after having an argument with a man who was having picnic.</p> <p>[REDACTED] said the boys came up to them and starting talking to them and asked for a go at his scooter and then the scooter was given back to him. He then gave another boy a go who rode off with it.</p> <p>[REDACTED] then was asked by the boys if they could play with his football [REDACTED] gave them his football and it was then given back to him. [REDACTED] said that one of the boys grabbed his backpack and punched the football from under his arm, picked up the ball and ran away with it.</p> <p>[REDACTED] said he was able to hold onto his backpack, whilst being punched in the back 4 times. INFT confirmed with [REDACTED] he already had his scooter and football taken at this stage.</p> <p>INFT states that [REDACTED] then called his father [REDACTED] who came down and collect the children. INFT believes that once the boys realised it was [REDACTED] father they then his friend [REDACTED] advised [REDACTED] to run back to his house.</p> <p>INFT states the boys said to [REDACTED] 'do you want to get beaten up', but they ignored it and carried on walking home. This was in front of [REDACTED] father and 6 year old daughter.</p> <p>[REDACTED] said they called him a 'cunt', 'fucking queers' and 'do you want to fucking fight' in Irish accents.</p> <p>Paul also said he saw a vehicle driving on the park with Irish registration plates.</p> <p>INFT states she lives less than a mile from the encampment. INFT can see the park but not the caravans. INFT stated she didn't want the boys knowing where she lives.</p> <p>DESC<br/>1 boys - blonde with a man bun, tight blue shorts<br/>all the boys shirt less<br/>they said to the boys they were Irish and had Irish accents</p> |

| Damage caused to gain entry (include details and any evidence of identity of offenders) or damage to land or property on it: |
| No sign of Damage to secure Entry. Small BBQ fire on Farm land - advice given and extinguished as police left the site.      |

|                     |   |
|---------------------|---|
| Name the Landowner: | [REDACTED] formosa cattle lane - [REDACTED]<br>Burnfields - Possible other owner. |
| type of land use:   | Private   |

|  |
|--|
| Has the landowner been contacted? What are the landowner's views?<br>Request to leave made or permission to stay given?  |
| [REDACTED] who was residing in one of the tents, told police he has secured permission from the land owner, who he referred to as 'Dave'. This has not been confirmed though from research with local residents, it is believed to be shared ownership between [REDACTED] and Burnfields |

|   |
|---|
| Have the trespassers used threatening/abusive/insulting words or behaviour to the occupier of the land or a member of his family or employee or agent |
| Unknown at this time - Land owner has not been talked to. No reports made to police of any TAI behaviour (or of the 3 Ds).                            |

|  |
|--|
| Is the encampment in a dangerous/unsuitable position?(side of a busy road, hazards etc)  |
| No - Encampment is a distance up from Duck Street on Farm Land, approximately a football pitch distance away from the road. Small BBQ fire mentioned above is a possible hazard, however it was well maintained at the time of attendance, and supervised. As police left the site, the fire was being extinguished. |

|   |
|---|
| Other environmental issues (potential for disorder, interference with use of land/amenity).   |
| This encampment is on farm land just off Duck Street and opposite a school - however the school is currently closed as it is the summer holidays so no disruption anticipated there. It is not directly on the farmed vegetation and is |

Have the trespassers used threatening/abusive/insulting words or behaviour to the occupier of the land or a member of his family or employee or agent  
No

Is the encampment in a dangerous/unsuitable position?(side of a busy road, hazards etc)  
No

Other environmental issues (potential for disorder, interference with use of land/amenity).  
There are concerns around fire due to the cooking facilities being gas and outside and on dry grass in a heat wave.
