In these rules:

- "occupier" means anyone who occupies a park home, whether under an Agreement to which the Mobile Homes Act 1983 applies or under a tenancy or any other agreement.
- "you" and "your" refers to the homeowner or other occupier of a park home
- "we" and "our" refers to the park owner.

These rules are in place to ensure acceptable standards and maintained on the park, which will be of general benefit to occupiers, and to promote and maintain community cohesion. They form part of the Agreement by which homeowners occupy the pitch in accordance with the Mobile Homes Act 1983, as amended.

None of these rules is to have retrospective effect. Accordingly:

- They are to apply only from the date on which they take effect, which is 22 January 2016;
- No occupier who is in occupation on that date will be treated as being in breach due to circumstances which were in existence on that date and which would not have been a breach of the rules in existence before that date.

Condition of the Pitch

1. You must ensure that:
 - a. The mobile home at all times complies with the statutory definition of a "mobile home" set out in the Mobile Homes Act 1983 (or any definition that may subsequently supersede it) and
The mobile home is maintained at all times in a condition whereby it is capable of being moved from one pitch on the site to another.
2. You must not make any improvements to the pitch unless you have obtained our prior written approval (which will not be withheld or delayed unreasonably). Any improvements to the pitch must comply with the park's site licence and fire safety requirements.
3. Occupiers are responsible for all electrical fittings and cabling from the meter situated on the pitch, to the mobile home and also the water supply pipe from the stopcock situated on the pitch (the stopcock being the responsibility of the park owner) to the mobile home.
4. The space between the base of the park home and the ground on which it stands must be kept clear at all times and it must not be used for storage.
