Decision Making guide in relation to unauthorised encampment

Time:	17:51
Date:	20/07/2023
Location:	The Recreation Field Stanbury Road

Number of Persons on Land:	<p>One person seen on the encampment. Confirmed that her name was Margaret but would not say her surname. Told Police it was her Sons in the other caravans.</p> <p>From RMS research and from registered owners on the PNC, it is suspected that the below people may be present</p> <p>Michael Bowers 10/03/1998</p> <p>Albert Bowers 01/10/1968</p> <p>Joe Bowers 14/02/92</p> <p>Margaret Bowers 01/12/1965</p> <p>There are 5 Children linked to the adults suspected to be present at the Encampment</p> <p>James Dean Bowers 13/05/2014</p> <p>Joey Bowers 25/05/2011</p> <p>Lulu Bowers 23/01/2016</p> <p>Tennessee Bowers 31/03/2018</p> <p>Aubriana Bowers 13/09/2022</p>
----------------------------	---

(include if 2 or more and intention is to reside on land)

Number of Vehicles:	4 vehicles and 3 caravans
---------------------	---------------------------

Conduct PNC checks of vehicles and list in the 'vehicles details' section at the end of this form.

Damage caused to gain entry (include details and any evidence of identity of offenders) or damage to land or property on it:
No damage was caused to gain entry. There is a gap for vehicles to fit through near the playground from the carpark. They have used this to gain entry and then driven across the field to the back corner.

Name the Landowner:	Hurstbourne Priors Parish Council
type of land use:	Council

Has the landowner been contacted? What are the landowner's views? Request to leave made or permission to stay given?
I have contacted Test Valley Borough Council who told me that the land is owned by Hurstbourne Priors Parish Council. I have attempted to contact them twice but after ringing for 2 minutes the phone cuts off.

Decision Making guide in relation to unauthorised encampment

Have the trespassers used threatening/abusive/insulting words or behaviour to the occupier of the land or a member of his family or employee or agent	
No threatening, abusive or insulting words of behaviour have been reported to the Police or used against the Police when they engaged with the encampment.	
Is the encampment in a dangerous/unsuitable position?(side of a busy road, hazards etc)	
Encampment is in the far corner of the field. They have laid their vehicles out in a straight line to take up as little space as possible. This also makes the encampment quite hidden as they are all parked close to the tree/bush line on one side of the field.	
Other environmental issues (potential for disorder, interference with use of land/amenity).	
No environmental issues. There was some rubbish on the floor that Police were told was due to one of the dogs getting off their lead. From looking at some of the rubbish this looks consistent with being chewed up by a dog. Police were told that they would pick this up as soon as possible	
Details of Local Authority	
Hurstbourne Priors Parish Council The Fairground, Weyhill, Andover SP11 0QN 01264 772460	
Point of contact within Local Authority	
I have contacted Test Valley Borough Council who told me that the land is owned by Hurstbourne Priors Parish Council. I have attempted to contact them twice but after ringing for 2 minutes the phone cuts off.	
Have HCC Gypsy and Traveller Liaison Officers been contacted?	
[REDACTED] and [REDACTED]	
Sgt 21956 Tapper has called both HCC Liaison Officers, left messages and emailed their mailbox	
Has a welfare assessment been made by Local Authority?	
No	
Number of children on site, include ages:	5 children potentially on site. however this has not been confirmed

Decision Making guide in relation to unauthorised encampment

Number of persons with welfare needs include names and details (e.g. <i>pregnant, elderly, infirm</i>)
Unknown as only Margaret has been seen by Police as everyone else was sleeping.

What is the intention of the group (Proposed duration of stay)?	They are heading to Cambridge
--	-------------------------------

Where were the group before they moved here?	Southampton. This is where they live. Near burseldon.
--	---

Force Silver must be advised, if the criteria is met for an unauthorised encampment. (See Appendix D of Quebec Management Process guidance document on the intranet for full details.)	
Name:	Time:

Any other factors which may influence decision making process (see Op Quebec intranet pages for Human Rights information)
There is a court order with 50+ names on. This court order comes with a power of arrest for Police. The Bowers family are in that list. However we only suspect from speaking to Margaret that they are the Bowers family.

Are Police Powers going to be used? <i>If yes, please record basis for decision.</i> (Statement landowner, consider statements from local community in terms of impact, EGT of site, contact public order TA)
NO

If no, please record basis for decision (consider communicating with trespassers expected standards of behaviour, community reassurance to advise of Police actions, schedule of patrols on site, amenities from local authority – skips etc)
I have liaised with PS 21956 TAPPER who is considering police response.
