You gave us this map location earlier. Is the address correct? Can you tell us anything else to help pinpoint the exact location?: It is at picket twenty park, go up telegraph road and use the entrance.

At any point, were you on public transport?: No

Please tell us what happened, and the events leading up to it, to help us identify if an offence has been committed.: I left our house at 19:48 to walk our dog round our estate park, we we got towards the rear of the park, towards Churchill way road, we heard lots of noise and came across 15-20 caravans with travellers who had set up camp with horses, they had smashed there way through the gate and onto the football pitches, we proceeded to walk, when we were harassed and chased by 5-6 dogs who were loose and taking nips at our dog despite being on the lead! I shouted for someone to stop to the dogs to which I received a barrage of verbal abuse, telling me to fuck off or if I had a problem they would come and sort me out! all the while the dogs are pestering and bother my dog, it wasn't until we were 30-40 meters away from the caravans that the dogs finally stopped following and harassing us. Just left me feeling extremely agitated and frustrated, at the fact they just broke onto council land again and proceeded to abuse the residents, while blocking the paths of the park and not making it possible for those who use it and pay for the up keep to enjoy it.

Do you feel race, ethnicity, sex, gender, sexuality, disability or religion were a factor in this crime?: No

07/12/2023 16:57:56	RMS Entry	18784	Please provide us with your update: Travellers (8 caravans plus several other vans and cars) occupying warehouse car park on private land. Reported on 5/12/23. Attended site with PC Scott Larkham 13:30pm 7/12/2023 to issue letters requesting vacation by 17:00 7/12/2023. Found they had broken a window and opened external fire doors in order to plug in electrics. As soon as the Officers left, they broke into the property again and plugged in again. When our contractors arrived (15:30pm) to board up the broken window, a group entered in a very aggressive manner, squared up me (the landlord) and threatened violence. We left immediately, leaving the property unsecured. Due to the threat, we will not be attending site again and require an urgent Section 61 order.
