

## **Over Wallop Neighbourhood Plan.**

### **General Information Document on Town and Country Planning, including Neighbourhood Planning**

#### **1. The Planning System**

- 1.1 The planning system manages the use and development of land and buildings with the aim of creating sustainable places to live and work. Without a planning system in place development would not be controlled and could take place anywhere, with considerable impact on people and the environment. Potential development activity is managed through planning applications, using local plans as a basis to make decisions.
- 1.2 The planning system has two parts, which are usually the responsibility of the Local Planning Authority:
  - Plan making - setting out proposals for development and policies to guide development over a period of time.
  - Development management – where planning decisions are made through the assessment of planning applications.
- 1.3 Not all forms of development require planning permission as some proposed development, depending on the scale and type, is covered by permitted development rights. For development that requires planning permission, Test Valley Borough Council is responsible for deciding whether the development should go ahead. Decisions on planning applications in the parishes of Over Wallop are currently based on the National Planning Policy Framework (NPPF) and the documents that make up the development plan in Test Valley. If 'made' (adopted) the Over Wallop Neighbourhood Plan 2011 - 2035 will also become part of the Development Plan and be used in decision making on planning applications within the parish.

## **2. National Planning Policy**

2.1 The NPPF sets out the Government's planning policies for England and how these are expected to be applied. The framework gives guidance to local planning authorities in drawing up development plans and on making decisions on planning applications. The NPPF includes a presumption in favour of sustainable development and sets out core planning principles to be followed which include environmental, social and economic aspects. National Planning Practice Guidance (PPG) supports the NPPF and provides further guidance on planning issues such as neighbourhood planning.

## **3. Local Plans**

3.1 Local Plans are prepared by Local Planning Authorities and set out the strategic priorities and planning policies for the local authority area. The policies in a local plan set out to deliver key development including homes and jobs required, the provision of retail and community facilities and infrastructure. Policies relating to managing climate change, conservation and enhancement of the natural and historic environment are also included. Local plans must be positively prepared, justified, effective and consistent with national policy in line with s20 of the Planning and Compulsory Purchase Act 2004 (as amended) and the NPPF.

3.2 The development plans for Over Wallop are as follows:

- Test Valley Borough Local Plan 2016
- Hampshire Minerals and Waste Local Plan 2013

3.3 Further information on the Development Plans can be found at:

[Local Plan | Test Valley Borough Council](#)

[Hampshire Minerals and Waste Plan | Hampshire County Council \(hants.gov.uk\)](#)

## **4. Neighbourhood Planning**

4.1 Neighbourhood Planning was introduced under the 2011 Localism Act. It provides an opportunity for local communities to shape future development in their local area.

4.2 In parished areas, neighbourhood plans can be produced by parish

councils which are referred to as the 'Qualifying Body'. In this case, the Qualifying Body is Over Wallop Parish Council.

4.3 Neighbourhood plans have to meet a number of basic conditions in order to proceed to referendum stage. An independent examiner is appointed to check that a plan meets the basic conditions which are set out below:

- Have regard to national policies and advice contained in guidance issued by the Secretary of State.
- Contribute to the achievement of sustainable development.
- Be in general conformity with the strategic policies of the development plan for the area.
- Be compatible with European Union (EU) and European Convention on Human Rights obligations.

## **5. What is a Neighbourhood Plan Area?**

5.1 A neighbourhood plan must apply to a specific designated area which can range from single streets or large rural or urban areas.

5.2 The boundary of the neighbourhood area for the Over Wallop Neighbourhood Plan was approved by the Borough Council in March 2023 and follows the parish boundary. The Borough Council agreed with the Examiner's recommendation to proceed to a referendum based on the Over Wallop Neighbourhood Area as approved by the Council

## **6. Neighbourhood Plan Referendum**

6.1 The Neighbourhood Plan has been the subject of three formal public consultation stages and was submitted to the Borough Council in May 2023. An independent examiner (Mr David Hogger) considered the Neighbourhood Plan from July 2023 and provided his report to the Council in October 2023. His report recommended that, subject to his proposed modifications, the neighbourhood plan should proceed to referendum based on the Over Wallop Neighbourhood Area as approved by the council.

6.2 Having considered each of the modifications in the examiner's report and the reasons for them, Test Valley Borough Council in consultation with Over Wallop Parish Council did not accept two of the modifications to the draft plan.

- 6.3 As the Borough Council proposed to make a decision which differed from that recommended by the examiner, representations were invited from the qualifying body, anyone whose representation was submitted to the examiner and any consultation body that was previously consulted. The 6 weeks consultation commenced on 12 January until 23 February 2024.
- 6.4 Responses were received from Historic England, Natural England, Southern Water and Rushmoor Borough Council, all of whom had no comment to make.
- 6.5 The decision statement confirms that all except two of the modifications proposed by the examiner's report have been accepted, and that PM1 and PM25 will be modified in accordance with the wording as shown in the Decision Statement. The Over Wallop Neighbourhood Development Plan has been amended as a result of these modifications and that this plan may now proceed to referendum. The Borough Council accepted and agreed with the modifications proposed and were subsequently satisfied that the neighbourhood plan met the basic conditions and all other legislative requirements. The Borough Council has confirmed that the neighbourhood plan can proceed to referendum.
- 6.6 The Over Wallop Neighbourhood Plan referendum will be held on **Thursday 2 May 2024 from 7am to 10pm.**
- 6.7 The proposed Neighbourhood Plan needs to gain the approval of the majority of voters (more than 50%) in the local community for the Local Planning Authority to 'make' the neighbourhood plan.
- 6.8 If the Neighbourhood Plan is made then it will become part of the Development Plan for Test Valley and will be used in the determination of planning applications in Over Wallop parish. If more people vote 'no' than 'yes', then the Neighbourhood Plan will not become part of the Development Plan for the local area.
- 6.9 Additional information on neighbourhood planning is available on the following website: [Neighbourhood planning - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/neighbourhood-planning)
