Deprivation

The English Index of Multiple Deprivation 2019 is designed to identify areas where communities lack resources and are in need. To do this, seven factors are considered, which are:

- income deprivation;
- employment deprivation;
- education, skills and training deprivation;
- health deprivation and disability;
- crime;
- barriers to housing and services;
- living environment deprivation.

Areas are scored on each of these factors, and ranked nationally from least deprived to most deprived.

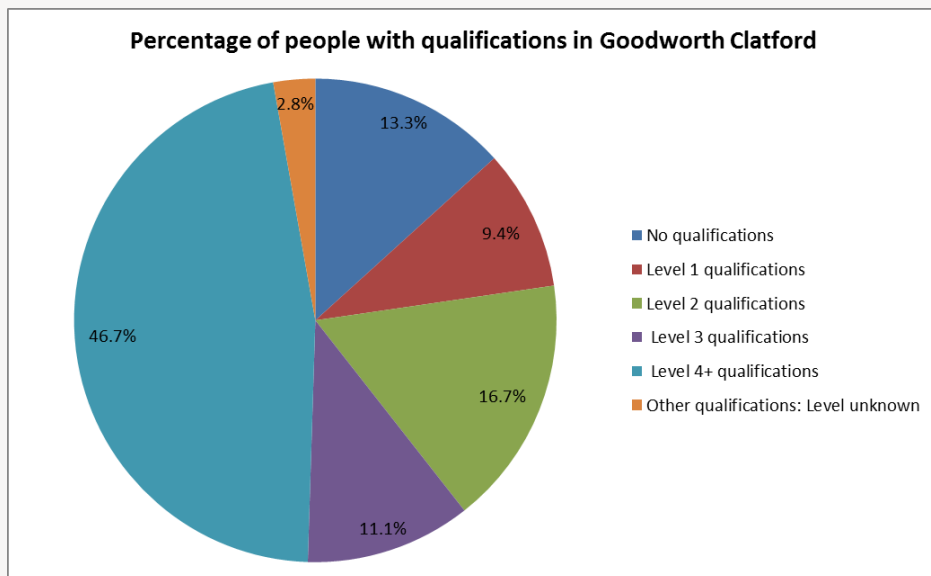

This map shows the deprivation scores for parish of Goodworth Clatford against all areas in Test Valley. Of 32,844 areas ranked across the country, Goodworth Clatford ranks 30,545th, this puts it in the **10% of least deprived** areas in the country.

More specifically, Goodworth Clatford ranks in the top 20% of most deprived areas when it comes to physical proximity of local services as well as in the top 50% of most deprived areas for the quality of housing available.

Employment by sector

Following the Local Government Boundary Commission for England (LGBCE) review in 2017, new Ward and Parish boundaries have been introduced in Test Valley. Hence, this information has been produced on a 'best fit' basis, it's not an exact representation of Goodworth Clatford but provides as good an indication as is currently feasible.

This data is taken from the 2018 UK Business Register and Employment Survey which is produced by the Office for National Statistics (ONS). This dataset relies upon a sample of 85,000 businesses across the country, from which these estimates are modelled. As such, there will be some sampling variability which result in the quality of the estimates deteriorating for smaller geographies. A better indication will be available from the 2021 Census which will be available in 2022/3; once this data is released, this profile will be updated and circulated to Borough and Parish Councillors.

This graph shows the percentage of the workforce by sector, according to the latest Business Register and Employment Survey in 2018. The largest sector employing people in Goodworth Clatford is Education (26.3%) followed jointly by Wholesale and Manufacturing (both 13.2%).
