Bullington Parish Profile

This profile provides a summary of the latest available information on the demographic make-up of the parish of Bullington within Test Valley. It looks at information on topics such as the population structure, economic, housing, health and educational information for the parish.

Bullington is one of the Test Valley's fifty-nine parishes. It has an area of **661.22** hectares which represents **1.05%** of the total area of Test Valley; in terms of size, **Bullington** is Test Valley's **fortieth largest** parish. The parish's population is **110** and its population density is **0.17** people per hectare, which is lower than the borough's average population density of **2.10** people per hectare.

Census Data

Some of the data used in this profile is taken from the 2011 Census; where this is the case, this is clearly labelled. Though this data is from several years ago, the breadth and volume of information the Census collects means it remains a valuable source of data and a reasonable indication of current trends.

Age breakdown

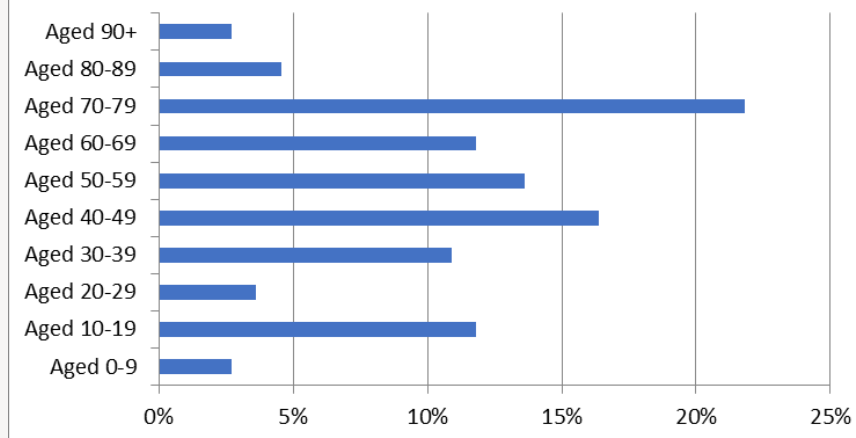

At 14.5% Bullington has a smaller percentage of **young people** (aged 0-19) than the borough average of 22.8%. By 2025, the proportion of young people will decrease to 12.4%, and will then be 10.6% lower than the borough average.

At 14.5%, Bullington has a smaller percentage of **young adults** (aged 20-39) than the borough average of 19.9%. The proportion of young adults living in the parish is expected decrease by 3.1% between 2020 and 2025, a faster decrease than the predicted fall of 1.2% across the borough.

Middle aged residents (aged 40-69) constitute 41.8% of Bullington's population, which is slightly higher than the borough average of 40.2%. This is forecast to increase slightly to 44.8% by 2025, 5.2% above the borough average.

At 29.1%, Bullington has a significantly higher percentage of those **aged 70 and over**, 11.9% above the borough average. By 2025 this percentage is forecast to increase 2.3%, a rate which is over double the forecast increase for the borough as a whole of 1.5%.

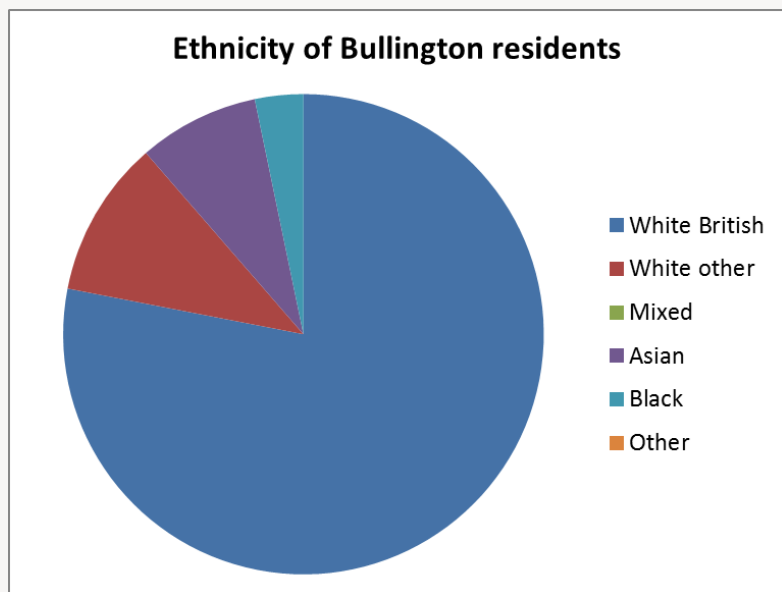

Percentage of the population by age group 2020

Population Data

This population data is taken from the Small Area Population Forecasts (SAPF), provided by Hampshire County Council. Further information on this is available online at: <https://www.hants.gov.uk/landplanningandenvironment/facts-figures/population/estimates-forecasts>.

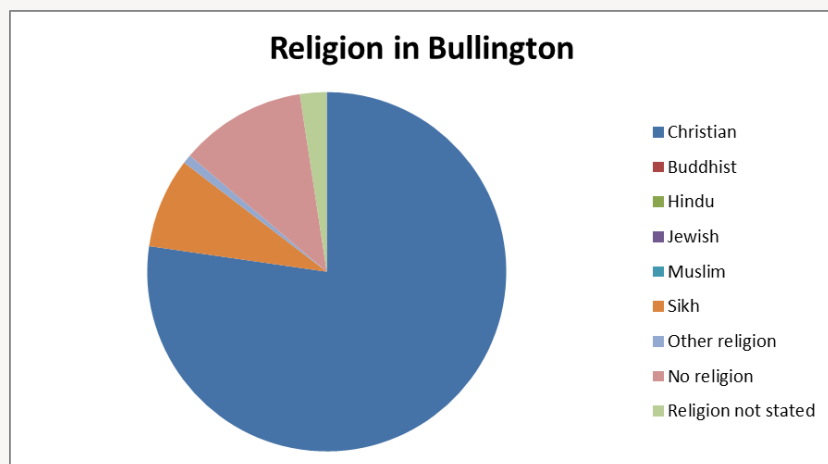

Ethnicity

White British	White other	Mixed/multiple ethnic groups	Asian	Black	Other
78.0%	10.6%	0.0%	8.1%	3.3%	0.0%

The graph shows the ethnic groups within Bullington by percentage. In the 2011 Census, 78.0% of Bullington's population identified as White British. This is significantly below the borough average of 93.1%. Bullington's level of ethnic diversity is also higher than England as a whole, where only 79.8% of the population are White British.

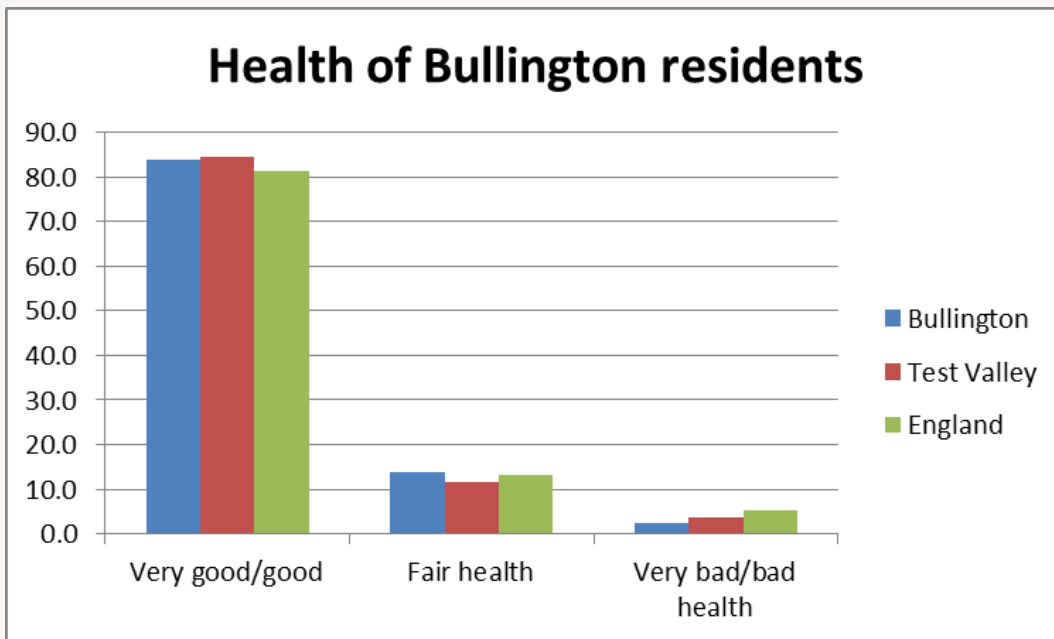

Religion

Christian	Buddhist	Hindu	Jewish	Muslim	Sikh	Other religion	No religion	Religion not stated
77.2%	0.0%	0.0%	0.0%	0.0%	8.1%	0.8%	11.4%	2.4%

At the 2011 Census, the majority of Bullington residents (77.2%) classify themselves as Christian, which is higher than the borough average of 65.7% and the English average of 59.8%. The next largest group are those that say they have no religion (11.4%), which is significantly lower than both the Test Valley average (25.1%) and the English average (27.7%). Of those groups that do adhere to a religion, Sikhs are the second largest group at 8.1%, which is substantially above both the Test Valley average of 0.3% and the English average of 0.8%.

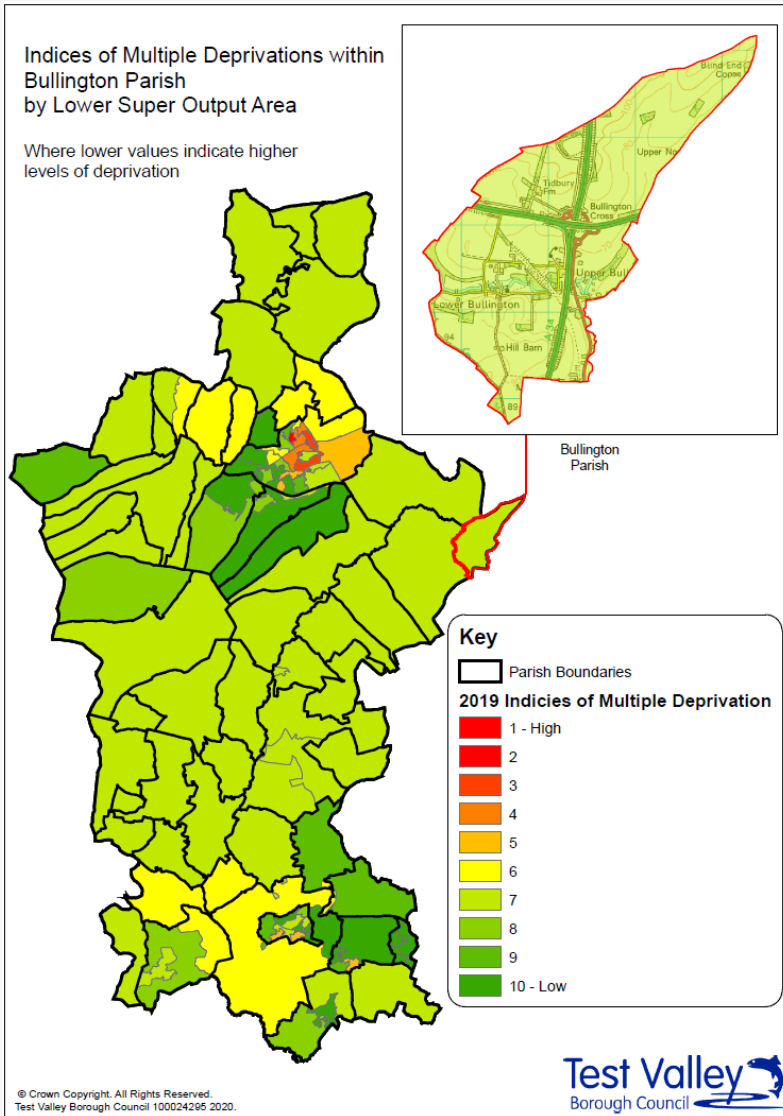

Health

At the 2011 Census, 83.8% of residents in Bullington said they felt that they were in very good or good health. This is slightly lower than the average for Test Valley (84.6%), but higher than the average for England (81.4%). 2.4% of the population rated their health as bad or very bad, which is lower than the borough average (3.8%) and the average for England (5.5%).

None of Bullington's residents are long term sick or disabled (2011 Census)

Deprivation

The English Index of Multiple Deprivation 2019 is designed to identify areas where communities lack resources and are in need. To do this, seven factors are considered, which are:

- income deprivation;
- employment deprivation;
- education, skills and training deprivation;
- health deprivation and disability;
- crime;
- barriers to housing and services;
- living environment deprivation.

Areas are scored on each of these factors, and ranked nationally from least deprived to most deprived.

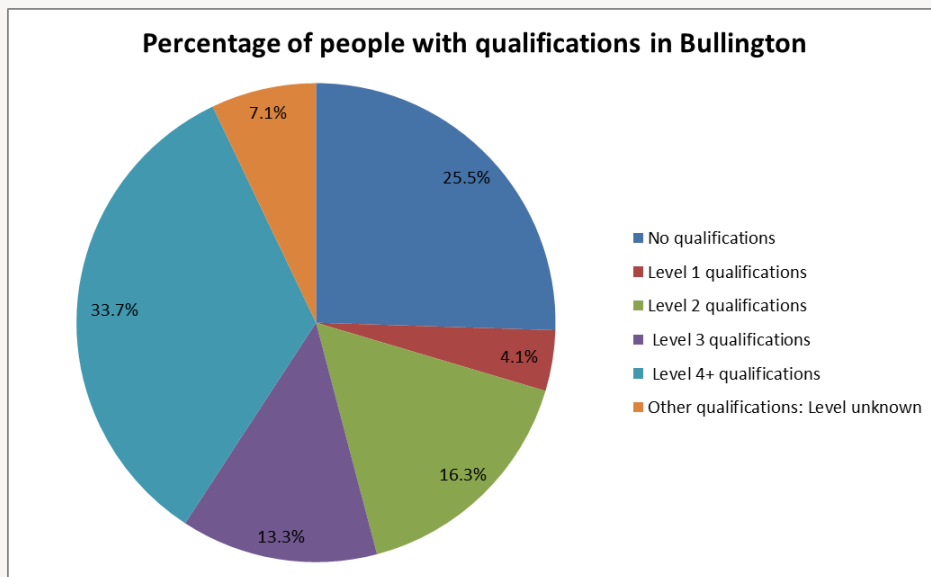

This map shows the deprivation scores for parish of Bullington against all areas in Test Valley. Of 32,844 areas ranked across the country, Bullington ranks 21,136th this puts it in the **40% of least deprived** areas in the country.

More specifically, Bullington ranks in the top 10% of most deprived areas when it comes to physical proximity of local services. Bullington is also in the top 10% of most deprived areas for the quality of housing available as well as being the top 30% of most deprived areas for its 'outdoors' living environment, which relates to air quality and road traffic accidents.

Further information about the Ministry of Housing, Communities and Local Government 2019 English Indices of Deprivation is available online at: <https://www.gov.uk/government/statistics/english-indices-of-deprivation-2019>

Education and employment

Qualifications

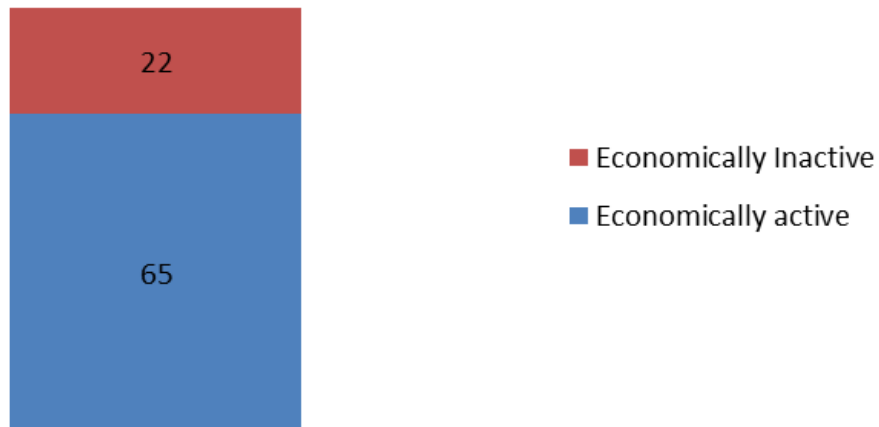

The pie chart shows the qualifications gained by Bullington residents aged 16-74 years, according to the 2011 Census, 67.4% of people living in Bullington have at least one GCSE or equivalent qualification, a figure which is significantly lower than the Test Valley average of 77.6%. Additionally, 7.1% of residents have an unknown qualification, which is higher than the borough average. This means that 25.5% of Bullington residents between 16 and 74 have no academic, vocational or professional qualifications, which is 7.1% higher than the borough average. In addition, 33.7% of Bullington residents have a level 4 qualification or above, which is equivalent to at least an undergraduate degree. This is higher than the borough average of 30.5%.

No qualifications	No academic or professional qualifications.
Level 1	1+'O' level passes, 1+CSE/GCSE any grades, NVQ level 1, Basic/Essential skills, NVQ Level 1.
Level 2	5+'O' level passes, 5+GCSEs (grades A*-C) 1 A level/2-3 AS levels. City and Guilds Craft, Apprenticeship, NVQ level 2.
Level 3	2+'A' levels, Higher School certificate, NVQ level 3, City and Guilds Advanced Craft, BTEC National.
Level 4/5	Degree (for example BA, BSc) higher degree (for example Master's, PhD, PGCE), NVQ levels 4 and 5, Qualified Teacher status, Nurse or Accountancy. BTEC Higher level.
Other qualification	Level unknown, vocational/work-related Qualifications, Foreign qualifications.

Economic Activity

Economic activity (count)

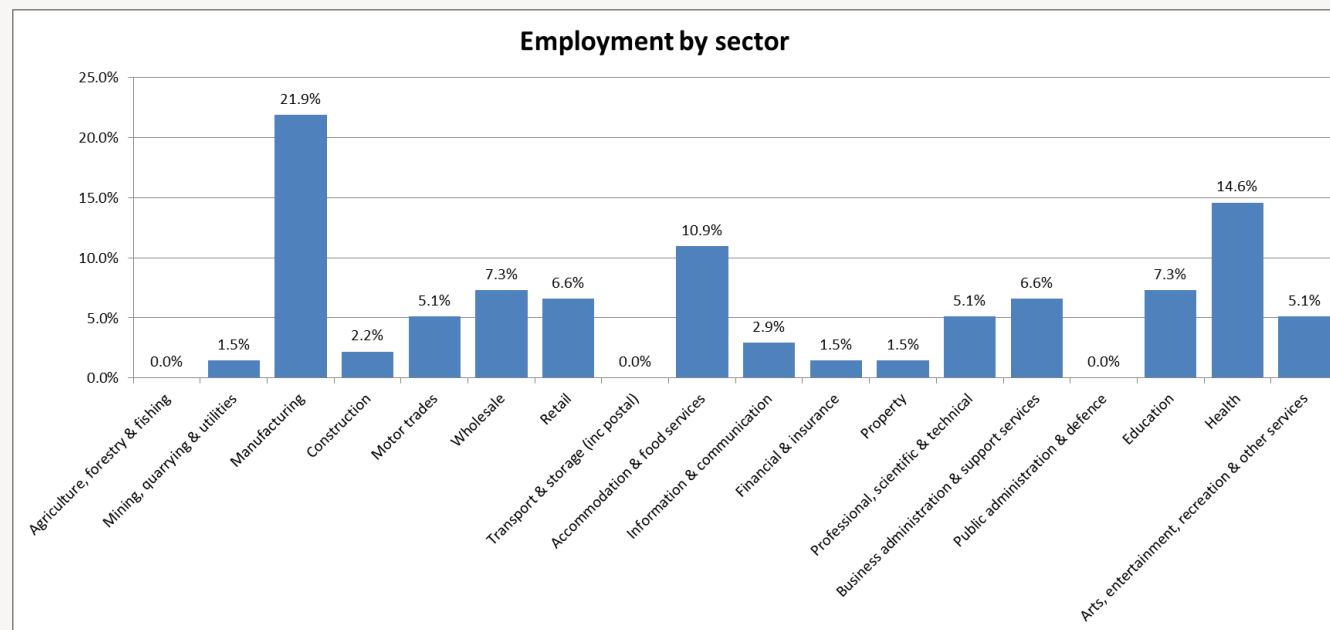

According to the 2011 Census 74.7% of Bullington residents aged 16-74 are economically active, higher than Test Valley as a whole where the figure is 73.4% of residents. This includes people in full-, part- and self-employment, those who are actively seeking a job, and full-time students.

The remaining 25.3% of residents aged 16-74 are economically inactive, compared to 26.6% of Test Valley residents. This includes people who are retired, long-term sick or disabled, or who look after the home and family.

Employment by sector

Following the Local Government Boundary Commission for England (LGBCE) review in 2017, new Ward and Parish boundaries have been introduced in Test Valley. Hence, this information has been produced on a 'best fit' basis, it's not an exact representation of Bullington but provides as good an indication as is currently feasible.

This data is taken from the 2018 UK Business Register and Employment Survey which is produced by the Office for National Statistics (ONS). This dataset relies upon a sample of 85,000 businesses across the country, from which these estimates are modelled. As such, there will be some sampling variability which result in the quality of the estimates deteriorating for smaller geographies.

This graph shows the percentage of the workforce by sector, according to the latest Business Register and Employment Survey in 2018. The largest sector employing people in Bullington is Manufacturing (21.9%) followed by Health (14.6%) and Accommodation & Food Services (10.9%).

Unfortunately due to Bullington's small size, neither Zoopla nor Rightmove produce property value estimates for the Parish.

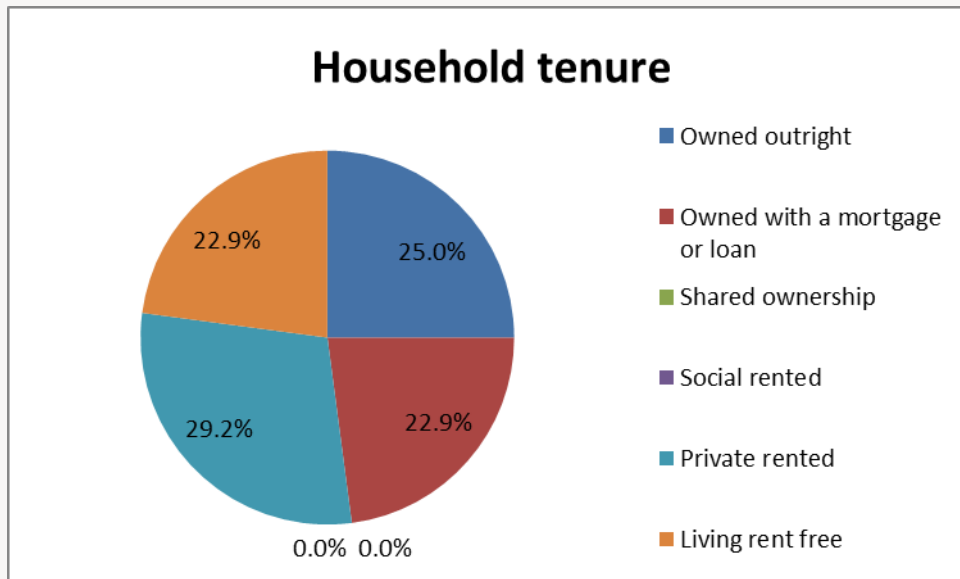

In Hampshire, the average value of a property is £381,137 (a 12% rise in 5 years) whilst in South East England, the average is £424,800 (an 11% rise in 5 years).

Council Tax Bandings

	Bullington	Test Valley
Bands F-H 	23.1%	16.9%
Bands C-E 	43.1%	60.8%
Bands A-B 	33.8%	22.3%

Household Tenure

Household tenure refers to the financial arrangements under which people occupy their homes and is taken from the 2011 Census.

This pie chart depicts the tenure of households in Bullington. 47.9% of people in Bullington live in a property which they own outright or with a mortgage or loan. This is significantly lower both than the average for Test Valley, which is 70.3%, and the average for the South East of England, which is 67.6%.

None of Bullington's residents rent their property from a Housing Association, compared to 14.4% of the wider borough's residents. 29.2% of residents privately rent their property; this figure is over double the borough average of 12.9%.

Unusually, 22.9% of residents live in their properties rent free. This is far higher than the Test Valley average of 1.7%.

Community facilities

Within Bullington there are a range of community facilities including a Village Hall, equestrian shop, and St Michael and All Angels Church.

The nearest primary school is located in the neighbouring parish of Barton Stacey whilst the closest GP surgery is situated in Sutton Scotney. The nearest railway stations are located either in Micheldever or Whitchurch.
