Deprivation

The English Index of Multiple Deprivation 2019 is designed to identify areas where communities lack resources and are in need. To do this, seven factors are considered, which are:

- income deprivation;
- employment deprivation;
- education, skills and training deprivation;
- health deprivation and disability;
- crime;
- barriers to housing and services;
- living environment deprivation.

Areas are scored on each of these factors and ranked nationally from least deprived to most deprived.

This map shows the deprivation scores for parish of Monxton against all areas in Test Valley. Of 32,844 areas ranked across the country, Monxton ranks 20,082nd, this puts it in the **40%** of **least deprived** areas in the country.

More specifically, Monxton ranks in the top 10% of most deprived areas when it comes to physical proximity of local services as well as in the top 10% of most deprived areas for the quality of housing available.

Employment by sector

Following the Local Government Boundary Commission for England (LGBCE) review in 2017, new Ward and Parish boundaries have been introduced in Test Valley. Hence, this information has been produced on a 'best fit' basis, it's not an exact representation of Monxton but provides as good an indication as is currently feasible.

This data is taken from the 2018 UK Business Register and Employment Survey which is produced by the Office for National Statistics (ONS). This dataset relies upon a sample of 85,000 businesses across the country, from which these estimates are modelled. As such, there will be some sampling variability which result in the quality of the estimates deteriorating for smaller geographies.

This graph shows the percentage of the workforce by sector, according to the latest Business Register and Employment Survey in 2018. The largest sector employing people in Monxton is Health (19.9%), followed jointly by Transport & Storage (incl. Postal) and Accommodation & Food Services (both 14.9%).

Community plans

Monxton has a **Village Design Statement** which was adopted by Test Valley Borough Council in May 2004 as Supplementary Planning Guidance. The design statement provides a description of the natural and man-made features of the village of Monxton that are regarded by the members of the community as particularly distinctive. The document provides a guide to ensure that future development and change is managed to respect and preserve the character and distinctiveness of the village. It should thus contribute positively to protecting and enhancing the special nature and qualities of the community that is Monxton today.

The Village Design Statement can be accessed using the following link:
