Dear Sir

I would like to in the very strongest terms that I and a very large number of neighbours (which is getting larger by day) and residents of valley park are absolutely dead against your plans to build on Velmore farm.

I live in Danebury Gardens which backs on to the race track that is Templers way . I myself have complained on a number of occasions , Without any joy same excuses. The back of my property is so noisy with massive trucks and boy racers it's deafening. Now you propose to build 1070 new houses with a main entrance to the back of my property .

This is just not exceptable

There are obviously a large number of other reasons this development should not take place which I will stress on your meeting.

This is a polite message to inform you of the feedback and feelings of many of my neighbours.

When I brought my property in 1984 Knightwood wasn't even mentioned. Now it's like a car park at the rear of my property we don't need another 2000 vehicles omitting much more carbon monoxide this can not be healthy.

As I say this is a email telling yourselves this is something we will fight vigorously not to happen.

Kind Regards

PAUL SWIFT
