Insert any general comments that do not relate to a specific paragraph number or policy in the general comments box below.*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording. If you are commenting on a document supporting the draft Local Plan (such as a topic paper, or the Sustainability Appraisal), please indicate so.

I would like to raise a very strong objection to Test Valley Borough Council wishing to develop land on Velmore Farm, creating 1070 houses.

The result would cause extreme chaos around an already very busy road (Templars Way). The area also suffers from extreme flooding, so creating a concrete jungle would cause even more flooding.

Another concern is that Doctors and Dentists are already over-stretched; how are they going to cope with another 2000+ more patients? Schools would also struggle to accommodate greater numbers of children.

Also to proceed with this plan you are destroying the green gap and the wildlife habitat.
