The plan isn't great . We had some much development in Romsey area of recent years. It's transformed small town in to large town. Roads are grid locked, doctor's surgery are impossible to get an appointment. Local wildlife has suffered, surface flooding increased. Buffer between villages disappeared! Only small manageable pockets of land should be allowed for development.

Romsey and North Baddesley plans. I'm very disappointed to

See more large scale plans for big housing estates. I'm absolutely shocked to see housing planed Barishfield area and Castle Road, old woodland and countryside should be protected! Industrial premisses for North Baddesley on a woodland? Is this some kind of joke? On one side we talking about climate emergency on other allowing to fell woodlands? Woodlands should be protected. Absolutely shocking lack of respect to local people and neighbourhood. This need revsing, green area and tres should be protected.
