## Q7

Insert any general comments that do not relate to a specific paragraph number or policy in the general comments box below.\*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording. If you are commenting on a document supporting the draft Local Plan (such as a topic paper, or the Sustainability Appraisal), please indicate so.

Please make it law throughout the building industry, that bird nesting bricks are included in all new builds.. we need to help our wildlife as much as we can instead of destroying it for our own gain.

## Q8

Insert any specific comments in the general comments box below, indicating which paragraph, policy or matter your comments relate to where possible.\*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording.

With regard to the Ecology & Biodiversity section, paragraph 5.228 (page 175), please add the following requirement:

Swift bricks are a universal nest brick for small bird species and should be installed in all new developments including extensions in accordance with best-practice guidance, to provide sufficient permanent nest sites to save these endangered birds.
