Insert any general comments that do not relate to a specific paragraph number or policy in the general comments box below.*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording. If you are commenting on a document supporting the draft Local Plan (such as a topic paper, or the Sustainability Appraisal), please indicate so.

Thank you for providing the opportunity to comment on the Local Plan 2040.

My comment refers to the importance of maintaining the unique identity of villages surrounding Andover.

I believe the existence of local gaps within the plan is an important element in the preservation of our village communities.

Therefore I support the maintenance of such gaps and particularly the continuation of the Local Gap associated with Abbott's Ann.
