Insert any general comments that do not relate to a specific paragraph number or policy in the general comments box below.*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording. If you are commenting on a document supporting the draft Local Plan (such as a topic paper, or the Sustainability Appraisal), please indicate so.

Q8

Insert any specific comments in the general comments box below, indicating which paragraph, policy or matter your comments relate to where possible.*If you are suggesting a change is needed to the draft Local Plan or supporting document, it would be helpful if you could include suggested revised wording.

Para 5.185

I strongly agree with the importance of the local gap concept in planning proposals and maintaining them especially with respect to keeping the openness provided by by arable landscapes. As a resident of Abbots Ann I would urge that this concept is applied to maintaining the gap between the village and Andover Town and should be reinforced against redevelopment pressures.
