| Made Neighbourhood Plan Housing Allocations | Internationally Important Wildlife Sites (Policies BIO1-BIO2) | |

The draft Policies Map has been updated to reflect the policies included in the Local Plan Revised Regulation 18 document. All other boundaries reflect the policies in the draft Regulation 18 Stage 2 document, unless there have been subsequent updates to environmental designations, then these have been updated. These are all included to ensure a comprehensive Policies Map is provided. All boundaries will be reviewed and updated, where appropriate at the Regulation 19 stage.
