

Libraries in the TVBC area which may have rooms for use by candidates during the pre-election period

Below is a list of libraries in the Test Valley Borough Council area which may have rooms for use by candidates during the pre-election period. You will need to contact the library direct to check if they have a room that they commonly let out for public use.

Where a room is used for a meeting, the candidate or party is responsible for any expenses incurred, including heating and lighting, and for the cost of repairing any damage caused. Any charges are a matter between the candidate or party and the venue and must be agreed directly. The Returning Officer is not involved in these arrangements.
