

Schools in the TVBC area which may have rooms for use by candidates during the pre-election period

Below is a list of schools in the Test Valley Borough Council area which may have rooms for use by candidates during the pre-election period. You will need to contact the school direct to check if they have a room that they commonly let out for public use.

Candidates must give reasonable notice before using a room and must not disrupt school hours or existing bookings.

While rooms are provided free of charge, candidates are responsible for any costs incurred, including heating, lighting, cleaning, room setup and any damage caused. Schools may charge a nominal fee to cover these expenses and, where required, the cost of a caretaker. Any charges are a matter between the candidate or party and the venue and must be agreed directly with them. The Returning Officer is not involved in these arrangements.
