Dear Sirs,

Re Application for Designation of a Neighbourhood Area

The decision to apply for the Designation of a Neighbourhood Area was made unanimously by Members of the Wellow Parish Council at a Full Council meeting held on 7th March 2016 minute ref: 164 d. and a copy of the minutes are attached. A copy of the signed minutes will be provided once ratified at the next Full Council meeting to be held on 4th April 2016. A map is enclosed defining the whole of the Parish which is to be designated a neighbourhood area under The Town and Country Planning Neighbourhood Planning Regulations (2012) for the purposes of creating a Neighbourhood Plan for the Parish.

Wellow Parish Council is a relevant body in accordance with section 61G of the Town and Country Planning Act 1990 and is an approved body for the purposes of preparing a Neighbourhood Development Plan and furthermore, as an identifiable individual organisation in Test Valley, has undertaken many varied community and local government activities for over 80 years and now wishes to assume greater responsibility for influencing planning and community matters within the Parish boundary.

A copy of this letter and an application will also be sent to New Forest National Park Authority as the area to be designated falls within the boundary of two separate local planning authorities.

Yours sincerely,
