

# Community Infrastructure Levy Bid Form

April 2018

# Community Infrastructure Levy (CIL) bid form

This form is split into 3 sections:

## 1. Project Overview

The purpose of the Project Overview section is to obtain initial information about the scheme that will allow the Test Valley Borough Council (TVBC) to score it appropriately.

## 2. Assessment Criteria

The purpose of the Assessment Criteria is to determine how well the proposed scheme delivers benefits to the residents and businesses of Test Valley. Please see Annex 2 for scoring criteria and Annex 3 for further information on the Assessment Criteria.

## 3. Supporting documentation

Please submit as much Supporting Documentation as you can to support, and provide evidence for, your answers in the Project Overview and Assessment Criteria sections. Examples: Project Plan, Site Location Plan, consultation responses, risk assessment....

The Council's Regulation 123 list is available [here](#). The Regulation 123 list sets out the strategic infrastructure types or projects that TVBC may fund, in whole or in part, through CIL. It does not apply to the proportion of CIL passed to town and parish councils.

Please submit this form and supporting documents to:

## 2. Assessment Criteria

The purpose of the Assessment Criteria is to determine how well the proposed scheme delivers benefits to the residents and businesses of Test Valley. Please see Annex 2 for scoring criteria and Annex 3 for further information on the Assessment Criteria.

**Q1: What evidence is available to demonstrate that the project mitigates the impact of development in the area?**

**Q2: How does the proposal demonstrate that it helps bring forward development?**

**Q3: How well does the proposal show that it has captured the ambitions of local and interested communities and organisations through a variety of engagement techniques?**

**Q4: What are the direct benefits and are there any potential indirect benefits?**

**Q5: How many different communities is the proposal likely to benefit? What proportion of those communities will benefit (e.g. all ages or just under 12's)? (Communities can be defined by geography or by a common issue/interest)**

**Q6: How do the benefits of the proposal impact upon the intended users? (To address this criteria, see Annex 1 – Equality Impact Assessment (EIA). Please attach the completed EIA in the Supporting Documentation section.)**

**Q7: Have any permanent/long term negative impacts of the proposal been considered and how are they proposed to be mitigated? (e.g. cycle link proposed but some loss of hedgerow, new crossing point but loss of a parking space)**

**Q8: What are the options for funding the proposal? (Please provide details of any funding already secured, any funding which has been applied for and also any funding requests that are still in progress.)**

**Q9: What measures have been explored to minimise the risk of the project not being delivered?**

**Q10: How have any ongoing costs been covered?**
