*A map showing the area to which the application relates has been attached.....* **Yes**.....

If the neighbourhood area includes the whole or any part of the area of another Parish council, the lead Parish council is authorised to act in relation to the neighbourhood area only if the other Parish council(s) have given their consent. Please provide the name and signature of a representative from each relevant Parish council to confirm that the Parish council have provided formal agreement and are happy for you to act on their behalf.

If this is a joint application with joint control each Parish will need to complete this application form.

#### 5) For all applications

Please describe below why you consider that the extent of the neighbourhood area is appropriate.

"The parish council in its meeting on 8-Oct-18 discussed and considered the extent that the Neighbourhood Area plan should cover. It was agreed that the Neighbourhood Area plan should cover the current Parish Boundaries, which includes a military grass airfield, farm land, some brownfield sites, isolated buildings and rural settlements as no predictions could be made on any future planning applications. It was felt inappropriate to include any neighbouring parish councils land as they might have different priorities or plans to Nether Wallop in relation to potential Neighbourhood Area plans"

Please attach a copy of the signed minutes of the Parish Council meeting(s) at which it was agreed that an application would be submitted and that whole/part of the Parish council area could be included in the Neighbourhood Area.

#### 6) Declaration

I hereby apply to designate a Neighbourhood Area as described on this form and the accompanying plan.
