Objection

The examiner considering the TNP and the local planning authority will need to be satisfied that the Basic Conditions requirement of the legislation relating to neighbourhood plans has been met. A Basic Conditions Statement (January 2019) has been prepared in support of the TNP by consultants. One of the conditions, in summary is ;

- In making the plan it is in general conformity with the strategic policies contained in the development plan ie the Test Valley Revised Local Plan 2016

The Statement confirms that the TNP has been prepared in conformity with the Test Valley Revised Local Plan 2016 ref para 1.4 and section 6 Table 3.

Policy EN2 of the TNP is seeking to introduce local gaps under the framework of Policy E3 of the Local Plan which is considered to be inappropriate and not justified. Policy E3 is a strategic policy as set out in Annex A of the Local Plan. The Statement in assessing the issue of conformity compares Policy EN2 with Policy COM2 of the Local Plan but not with the more relevant Policy E3. It is considered that there is an issue of conformity with strategic policy of the Local Plan which has not been addressed.
